Constipation Generates Poisons

When Constipation comes, what happens? The Colons get clogged with waste material, which is extremely poisonous, the blood circulation comes in sufficiently close contact with the waste to take up these Poisons by absorption and to distribute them throughout the body. The result is—the Liver becomes sluggish, you become dull and heavy, Biliousness asserts itself, then you have Headache, Kidney and Bladder Trouble, Indigestion, Appendicitis, and more evils besides.

Hacking's Kidney and Liver Pills are highly recommended for Constipation and its Evil Results

They are purely vegetable, do not Gripe, Purge or Irritate, and bring relief by producing a healthy condition of the Stomach, Liver, Kidneys and Bowels.

No matter what medicine you are taking for a laxative it might be just as well to change off to Hacking's. The combination of Cascara, Peppermint, Mayapple and the other Vegetable Drugs contained in these pills will produce results to be unequalled by any others. They work beautiful in Digestive Disorders, for Gas on the Stomach, for Spasmodic Pains in the Stomach and Bowels, and for Dyspepsia and Indigestion.

Buy a few boxes from your dealer to-day, but be absolutely sure you get Hacking's.
