What a Good Band Means to a Town

In speaking about bands and town bands in particular, we sometimes hear people carelessly say, "what good is a band in a town anyway? Well, first take an inventory of the fellow who makes the remark. You may have reason to allow the silly question to go unanswered. But regarding the remark more seriously, let us say that a good band is one of the most useful things a town or community can possess. It is one of the best advertisements a town can have. Emerson says something about the world making a beaten path. Well, a good band will make all the roads leading to a town beaten paths, even though the town's other attractions be not enormous, every merchant is benefitted by a good band. Many people come to town to attend the delightful entertainments, and they combine shopping with this pleasure. The promoters of business and musical enterprises always have the satisfaction of knowing that their civic demonstrations from time to time will be successful, because they have a first-class band to lead the parade and attract the crowd. A band composed of able players is a tower of strength to any town or section of country. It cultivates the public ear to a high class of music, and does it right at your door, too. Every enterprising citizen will boost the band wherever he goes.—Canadian Bandsman and Orchestra Journal.

Talk about your goose stories! Can you beat this one? It is a true story too. The late Mrs. Samuel Liddle, 3rd concession of Malahide, in 1879 gave a gosling to Mrs. Ed. Dangerfield, who took good care of her gift and it grew to be a handsome goose. This same bird which is now 42 years old has been kept by the family and is now owned by a grandson, Grant Fickard, on the dangerfield farm. This goose did not lay any golden eggs but has annually brought forth her brood of goslings, and this year hatched seven eggs out of nine. She has been on the farm all her life, is fat and in good condition despite her years, although getting a little feeble and cannot keep pace with the younger birds.—Aylmer Express.

Constipation Cured By Christian Science

Seventy five people out of one hundred can be cured by Christian Science methods, which prove the great power of the Mind over the Digestive Apparatus and the frequency of Nervousness as a cause of Constipation.

When these methods fail Hacking's Kidney and Liver Pills are recommended. They are purely vegetable and do not Grip or Irritate; many people have found them excellent for Headache, Dizziness, Bad Breath, Coated Tongue, Loss of Appetite, Indigestion, Gas on the Stomach, and many other evils that are due to Constipation.

Where there is Extreme Nervousness and you are "all run down" and "tire easily" it would be just as well to take Hacking's Heart and Nerve Remedy along with these Pills. This combination goes well together and restores the good health of your younger days. The Heart action becomes normal, the Nerves take on new Life, Power and Vigor and the "human machine" becomes full of "pop" and vitality.

If you are tired of sickness and have lost the Power, Ability and Nerve Force to do your daily work and your Nerves are all Shattered just give these two Remedies a trial and we will positively guarantee beneficial results. Go to your dealer to-day and ask for Hacking's, and do not take any other kind for if you do you will be fooled right at the start and you will not get the results that we guarantee. Hacking's Limited, Listowel.
