## Rockford

(Too late for last week.)

It is our sad duty this week to chronicle the death of Mrs. Wm. Howard which occurred at an early hour last Friday morning. The news came as a shock to all in the community. Although it was known that Mrs. Howard and her son Wilbert were both suffering from an attack of la grippe it was understood that they were getting better but it seems her heart was affected, and not being able to withstand the shock, she just passed peacefully away without a struggle. Her death was a great blow to her loved ones who little thought that the end was so near. Mrs. Howard was always a hard working christian lady, and the thought always uppermost in her mind was for others, even during the last hours of her life she was over anxious about the well being of her loved ones.

The funeral was held from her late residence on Monday, the service being conducted at the house by her pastor, Mr. Cavers, interment being made in Greenwood cemetery, Waterford.

She leaves to mourn her loss a husband, two sons, one lately returned from overseas, and one daughter, Mrs. Sanford Feaman of Hagersville, also one little grandson, one brother, Mr. Findlay of Port Huron and one sister living in the North West. Deceased was in her 68th year. The relatives and friends have the sincere sympathy of the entire community in this their sad bereavement.

Wilfred Wilson spent the week end in Hamilton returning Monday.

Mrs. Thompson returned to her home in Villa Nova on Sunday after visiting for a few weeks with her daughter, Mrs. John Gilbert.

Mrs. Alex. Angus does not improve in health as fast as her friends would wish.

Mr. Len Herron's family are recovering from an attack of the Flu.

Mr. and Mrs. Lindsay Irvine attended the Blaney-Porter wedding in Jarvis on Thursday last.

Mr. John Webb's little boy is sick with pneumonia.

A recent report emanating from the Provincial Health Department gave the number of reported cases since the outbreak of the flu as 18,024 in this province, while the total number of deaths from the epidemic were 1,918. During a similar period last year there were 3,015 deaths. From these figures the claim that the disease is not so virulent a type seems to be substantiated. Then, too, the medical authorities and the public have made better preparations to combat

## To Ladies!

### Anaemia

This is a result of the lack of the ordinary red corpuscles in the blood. The too frequent neglect of this complaint, especially in the case of growing girls and young women, is fraught with the greatest danger.

### Poorness of the Blood

must lead to weakness of the body, General Debility and such a run down condition that the sufferer falls a prey to almost any epidemic disease — especially Influenza, Colds and La Grippe.

### Fainting, Palpitation

general disturbance of the bodily functions, headache, hysteria, pale and sallow complexion, pallor of the tongue and lips, puffiness under the eyes and Heart Murmur are generally associated with Anaemia.

### Hackings Heart and Nerve Remedy

is the most reliable medicine to use. It will bring back the rosy cheeks and restore Vitality and Vigor. Do not be discouraged and do not worry for you will only get worse. Place your confidence in Hackings Heart and Nerve Remedy for it is a complete tonic that will bring back the happiness of good health that you so much desire. Buy a few boxes to-day. Price 50c a box, 6 for \$2.50. Sold by all dealers or by mail, postpaid. Hackings Limited, Listowel.
