Stomach Disorders

There are no remedies or medicines so effective for the treatment of the various Stomach Disorders as Hacking's Heart and Nerve Remedy and Hacking's Kidney and Liver Pills. This we know, from the experience we have had from these preparations and from the knowledge we have of the action and medicinal effect of the different drugs and herbs that go into the composition of these two wonderful remedies.

The Appetite may be either exaggerated, perverted, diminished or entirely lost, these preparations will restore it. The condition may be either Acute or Chronic or the Nerves supplying the Stomach may be defective or there may be Gas on the Stomach due to Fermentation or Decomposition of Foods; no matter what the trouble may be this treatment will tone up the organs of the entire system and bring back the glorious good health that you so much desire.

Pain after Eating, Vomiting, Gradual Loss of Flesh and Strength, Dyspepsia and Anæmia are some of the Symptoms of Stomach Disorders that quickly disappear when you use Hacking's. In order to effect a cure, however, patience is as essential as the right remedy and anyone who has been ailing for any length of time should not expect to be cured in a few days. Buy 6 boxes of Hacking's Heart and Nerve Remedy and 3 of Hacking's Kidney and Liver Pills and give them a good trial. Be sure to get Hacking's.
