Two years ago a by-law was passed, increasing the rate from 25 to 35 cents, when the number of votes against was the same—43, but the total vote then was smaller.

\$2,000,000 This Year From The Motorist

Ontario motor car users have contributed about two million dollars in license fees to the Provincial Treasury this year of grace 1920. There has been an increase of over 35,000 automobiles alone this year over the number licensed last year. The fact is interesting that in 1908 there were but 220 motor vehicles licenses issued. 1917 the number of passenger vehicles in operation in Ontario had increased to 78,861; in 1918 to 101,945; 1919 to 127,960; and in 1920 to 153,000. Commercial vehicles increased in numbers during these latter years from 4,939 to 15,900. The number of motorcycles has increased only 400 in the four years. This \$2,000,000 will go a considerable distance in the construction of improved roads throughout the Province.

Confidence and Co-Operation

There is only one paper in Canada owned by the farmers, and circulated among the farmers, namely, "The Farmers' Sun." It fights the farmers' battles politically, gives more accurate market quotations than any other paper in the Dominion, features other agricultural news, as well as the activities of the U. F. O., such as their co-operative work and kindred problems. No paper in Canada furnishes more accurate news reports of matters which interest the farmer, nor is any paper more fearless and outspoken editorially than "The Farmers' Sun." The paper is published twice a week, so that a subscriber gets one hundred and four issues for \$1.50. Farmers, subscribe for a paper which you own and have confidence in. Send \$1.50 to day to "The Farmers' Sun," Toronto.

The Late Thos. McBride

Mr. Thomas B. McBride, brother of Mrs. Al. Marr of this village, died suddenly at Port Elgin on Thursday evening, Oct. 28th, from enlargement of the heart, after an active day assisting in the Navy League canvass there.

Deceased was born in Port Dover 54 years ago. After graduating from the Normal School taught for a number of years at Lion's Head, where he met and married Miss Annie McPherson, some twenty years ago. Leaving the teaching profession, and moving to Port Elgin in 1906, Mr. McBride took a position in the Stevens-Hepner Brush and Broom Works with which he was connected till four years ago, when he opened up an insurance and real estate business, which business he successfully conducted to the end.

Besides a wife deceased leaves to mourn his death, three daughters and one son. Five brothers and five sisters also survive: John A., Sam and Sidney, of Port Dover; R. J., of Hagersville; and George, of Marburg; (Abbie) Mrs. Al. Marr, of Jarvis; (Nettie) Mrs. John McCarter, (Elizabeth) Mrs. Perry, (Minnie) Mrs. Jos. Long, all of Port Dover, and (Nancy) Mrs. E. Cooper, of Smithville.

Never in the history of Port Elgin have the citizens witnessed such a large and impressive funeral. Over two thousand and Masons from the surrounding district attended in a body. The casket was banked high with beautiful floral tributes from the Brotherhood and sympathetic friends, bearing silent testimony of the high esteem in which deceased was held in life.

Auctioneer Deming has sales listed for Nov. 23rd and 24th.
