#### Nanticoke Institute

The Nanticoke Institute met last Thursday afternoon at the home of Mrs. Stanley Field. While it was a pleasure to meet again, still the meeting was tinged with sadness, of the loss of one of our valued members who has gone "Home". We, as members, voiced the sentiments of the short address given by our President, Mrs. Thompson.

Naturally our thoughts go back to when we last met in this home. One who was a valued member and who was with us at that meeting has passed away, namely, Mrs. Hind. Then again memory takes us back to our May meeting. We think of Mrs. Evans who was there and took such an active part in the meeting and was so cheerful under the circumstances in which she was placed. We cannot help thinking how brave she was. We, as Institute members will certainly miss her, as she was ever ready to help in any way she could but how much more will she be missed in her home. The girls who have recently been bereaved will miss her and terrible heart ache they will experience for mother-love. No one can fully sympathize with them, only those who have gone through the ordeal. We express our thoughts in the following words:

When mother breathes her last farewell The stroke means more than tongue can tell. The world seems quite another place Without the smile of mother's face.

A paper was also given by Miss Eva Thompson on "Canadian Authors" after which the Roll Call was responded by quotations. Miss Evans favored the Institute by an instrumental "Laughing Waters". The hostess served a dainty lunch of ice cream and cake. The September meeting will be held at the home of Mrs. Greig.

#### Constipation Cured By Christian Science

Seventy five people out of one hundred can be cured by Christian Science methods, which prove the great power of the Mind over the Digestive Apparatus and the frequency of Nervousness as a cause of Constipation.

When these methods fail Hacking's Kidney and Liver Pills are recommended. They are purely vegetable and do not Grip or Irritate; many people have found them excellent for Headache, Dizziness, Bad Breath, Coated Tongue, Loss of Appetite, Indigestion, Gas on the Stomach, and many other evils that are due to Constipation.

Where there is Extreme Nervousness and you are "all run down" and "tire easily" it would be just as well to take Hacking's Heart and Nerve Remedy along with these Pills. This combination goes well together and restores the good health of your younger days. The Heart action becomes normal, the Nerves take on new Life, Power and Vigor and the "human machine" becomes full of "pep" and vitality.

If you are tired of sickness and have lost the Power, Ability and Nerve Force to do your daily work and your Nerves are all Shattered just give these two Remedies a trial and we will positively guarantee beneficial results. Go to your dealer today and ask for Hacking's, and do not take any other kind for if you do you will be fooled right at the start and you will not get the results that we guarantee. Hacking's Limited, Listowel.
