The public school opened on Tuesday with a new staff of teachers, excepting Miss Ward. Miss Cunningham, of St. Thomas, has charge of the fourth room; Mr. Ernest Walker, third room, Miss Ward, second room, and Miss Reid, of Waterloo, first room.

The married men had the satisfaction of trouncing the single fellows last Thursday afternoon at the Fair grounds in a game of "soft ball." It was a close and interesting game all through and in the ninth the young fellows were leading by four runs, and thought they had the game on ice, but it was a mistake. When the other fellows got through with their half of the ninth they had added 12 runs to their score, thus winning out with eight to the good. We've hardly heard soft ball mentioned since.

Edward Dore Meets With Fatal Accident.

An accident, attended with fatal results, occurred in Hamilton last Saturday night. While driving his car Edward Dore, of that city, was struck by a street car and so seriously injured that he breathed his last at the General Hospital about 5 o'clock Sunday morning. When found he was unconscious. His skull was fractured and he sustained a number of abrasions about the head. Deceased was well known in Hamilton and throughout the Niagara District. For several years he has officiated as umpire at the Cayuga baseball tournaments. He was 45 years of age and leaves a wife and one son.

BARN BURNED

Arthur Belbeck Loses His Season's Crop

The barn on the farm belonging to Mr. Arthur Belbeck, on the Stage Road, about a mile and a half east of Jarvis, was totally destroyed by fire on Sunday night, together with all his crops. The fire broke out shortly before eight o'clock and was first discovered by Mr. James Davidson, who lives nearby, and it was not long before a number of neighbors were there to do what they could to save the property. The fire had gained such headway that nothing could be done to save the barn, and their efforts were confined to saving the adjoining buildings, and succeeded in saving the drive shed, hog pen and chicken house.

The barn and the season's crop of unthreshed grain, together with a large quantity of threshed seed, most all of the farm implements and a calf were destroyed. The loss is estimated at about \$6,000, and was insured in the "Walpole Mutual for \$17,000

It was a great loss to Mr. Belbeck, who with his wife were in Toronto at the time. His son was at home and was staying with Mr. Davidson who had helped the boy do the chores that evening. The cause of the fire is unknown, but is said to have been spontaneous combustion.

The reflection of the fire was seen twenty miles away and it estimated that four or five hundred cars were at the scene of the conflagration.

Caledonia Road

Government construction has been commenced on the Caledonia road, from the James street incline south. The road is one of those incorporated in the new system evolved by Hon. F. C. Biggs and will be invaluable as a main traffic artery. Residents of the mountain for several miles on either side of the road are much delighted at the prospect of having the road placed in good condition before the autumn, as it is known to be one of the hardest roads to travel during the rainy season. The road will, under the government scheme, be built to Jarvis, a distance of 27 miles, where it will connect with the Windsor to St. Thomas (Talbot) and the St. Thomas to Niagara roads. It also connects at Hamilton with the Brantford, Kitchener, Chatsworth, Toronto and Niagara, via St. Catharines road.—Spectator.

The many readers of Rod and Gun in Canada who are interested in the fiction section of the magazine will be pleased to note that George Gilbert, the well known short story writer has written an absorbing romance staged in the great outdoors entitled Waters of Rejoicing. This along with ten other stories and articles together with the various Departments make up the September number of Canada's greatest sportsman's publication. With the coming of the autumn the "gunman's" thoughts turn to ducks and deer and this number contains several good stories telling how the other fellow got his quota of Canada's water fowl and big game. ROD AND GUN IN CANADA, is published monthly at Woodstock, Ontario, by W. J. Taylor, Limited.

Wright Family Picnic

The Wright family held a picnic, on Saturday, August 21st, in orchard Beach Park. Quite a number were present and had a very enjoyable outing. They intend holding an annual picnic in Port Dover. The ancestors of the Wright family left England sixty-eight years ago to make homes for themselves in Canada, crossing the Atlantic in a sailing vessel. The family consisted of the father, mother and five children of whom only two are living, Robert Wright and Mary Mattice, both living in Port Dover. The descendants of the Wright family number one hundred and thirty-seven, a few being located in the United States, the Province of Manitoba and the City of Toronto and the majority residing in the Counties of Norfolk and Haldimand. The original Wright family came direct to Port Dover. At that time the only means of transportation between Hamilton and Port Dover was the four-horse stage coach. The family remained in Port Dover about three years. Later Robert Wright took up farming which occupation he carried on for forty years after which he again returned to that village to reside. He justly claims to be the oldest living original settler of Port Dover.

Letter of Condolence.

The following letter was received by Mr. R. J. Evans and family from the Nanticoke Women's Institute:

Dear Friends:—Although we feel the impossibility of expressing in words our sympathy for you in the loss of wife and mother, still we wish to convey to you our sincerest sympathy and to tell you that we sorrow with you in this dark hour of mourning.

Although our loss cannot compare with that of yours, we feel that we have lost a very dear friend and member whose place can never be filled.

When we think of how our meetings and social gatherings were always made a success by her efforts and presence, and how she was always watching and ready to aid in every good cause, ever ready to give of herself, regardless of personal feelings, we feel that it was her desire to work, to do all she could for her day was done. How appropriate were the words of the hymn, "Work for the night is coming."

We shall always remember how she cheered us on with bright words and a happy personality and encouraged us to greater things by impressing on us the need of such. Although she has gone from us we shall always feel the example for good she has left behind.

May your sorrow be mitigated by the thought of how full of good deeds her life has been, always improving every opportunity for doing good.

Yours very truly,
The Nanticoke Women's Institute.

Mrs. Leona O'Donnell and Miss Erie Thatcher of Hamilton spent last Thursday at Port Dover they were accompanied by some friends and all report an excellent time.
