Saturday Night's Storm

A very severe electrical and wind storm passed over this section about two o'clock Sunday morning, but fortunately no damage was done in the village, except that a large limb was broken off a tree in front of Miss Wright's residence on Talbot street by the wind. The storm was more severe around Port Dover. A building used for implements and feed storage on the farm of John S. Martin at Port Dover was struck by lightning and destroyed. Mr. Martin had just left home for New York State with 80 White Wyandottes for the Fair. The barn of William Dixon, about a mile and a half west of Port Dover, was also struck by lightning and destroyed with contents.

The most severe wind and hail storm that ever visited the Niagara fruit belt swept over one portion of it Saturday afternoon, causing total losses to some growers. The destruction took place in a narrow area of about half a mile in width and about five miles in length, west of Port Weller, along the south shore of Lake Ontario. About 4 o'clock two storms, one from the Northwest and another from the southwest, converged between St. Catharines and the lake, causing a disturbance the like of which has not been seen since the tornadoes of 1898 and 1902. Almost complete darkness followed causing many to think the end of the world had come.

Rockford

The Harvest Home services on Sunday in connection with our church were a great success. The weather was ideal and the attendance was very large. The sermons, by Rev. T. E. Mitchell, of Teeterville, were very forceful and inspiring. Teeterville ought to be congratulated on being so fortunate as to secure a young man of such marked ability. The choir rendered excellent music both morning and evening and the thank offering far exceeded what was asked for.

We are sorry to hear that Mr. Harry Paskins had to go to the hospital again to have his leg treated. We hope the treatment will be successful and that he will soon be around again.

The Royal Daughters' class invited the Teacher Training and Baracca classes of our S.S. to a corn roast at Mr. Ralph Golding's on Friday evening last. All report an excellent time.

Several from around here attended the Toronto Exhibition last week.

Some of those who attended Harvest Home services here on Sunday were: Mr. and Mrs. Ellison Somers of Simcoe, Mr. and Mrs. Peter Bauslangh of Villa Nova, Misses Mary, Orpha and Luella Bauslangh of Waterford, Mr. and Mrs. Ashton Somers of Simcoe, Mr. and Mrs. Fiebig of Hagersville Mr. and Mrs. R. A. McCarter and daughters of Jarvis.

Among the the leading features will be addresses by Rev. T. A. Halpenny, B.A., B.D., of Toronto, General Superintendent of the Ontario Religious Education Council; Rev. C. A. To Double Track Wabash

When the officials of the Wabash railway met at St. Thomas a few weeks ago it was announced that the company had deferred the double tracking of the air line for an indefinite period, but would make some improvements. Intimation now comes from Buffalo that plans for the laying of double tracks between Bridgeburg and Glencoe is again under way at the headquarters of the line, St. Louis. But as the season is now so well advanced, the proposed operations would not start until next year.

Sales of potatoes in car lots were made at Toronto last week as low as \$1.50 per bag and the trade was looking for \$1.50 to become the ruling price.

Junior Farmers' Judging Contest

Three hundred and seven young men entered in the judging competition at the Toronto Fair this year. Competitors were not more than 26 years old, and no graduates from agricultural colleges were eligible.

Each competitor judged one class of poultry and one of live stock. In addition he had the option of judging fruits and vegetables, or grain and roots. The naming of several different varieties of fruits, vegetables, etc., was asked for. Altogether it was a very instructive programme, and shows that Ontario's "junior farmers" have a wide knowledge of the produce of the country.

Professor Toole, of O.A.C., and W. J. Bell, of Kempville, were in charge of the horses, E. G. Gordon and L. E. O'Neill looked after the sheep, R. H. Harding and J. E. Rennie the swine, W. R. Reek and I. B. Whale the dairy cattle, and Professor Toole and C. F. Mackenzie judged the beef cattle. The competition lasted two days, Wednesday and Thursday.—Farmers' Sun.
