FIRE PREVENTION DAY SATURDAY, OCT. 9th

The Governor General has by
proclamation set aside Saturday
October 9, as a day on which to
specially emphasize the great loss
which Canadians, individually and
collectively, are sustaining through
destruction by fire of both natural
and created resources.

At a time of high building costs
and acute scarcity of material, we
are burning buildings at a criminal
rate. Our fire loss of last year, viz:
\$23,500,000, or approximately \$2.90
per capita, was the highest per ca-
pita in the world.

Not only is this a complete loss of
national wealth, but its replacement
increased competition for avail-
able building supplies, thus enhanc-
ing prices for new buildings. How
can we hope to overcome the hous-
ing shortage, when, in Ontario
alone, last year 5,804 dwellings
were damaged or destroyed, caus-
ing a loss of \$1,753,333. There
were also 744 farm barns destroyed,
at a loss of \$1,809,906, of which
\$557,736 was uninsured.

Lightning damaged or destroyed
1,102 buildings in Ontario, involv-
ing a loss of \$506,885, of which
\$212,778 was not covered by insur-
ance. None of these buildings was
equipped with lightning rods,
whereas but two buildings protect-
ed by lightning rods were damaged
and these to the amount of \$22,00
only.

Matches were again responsible
for the largest number of known
fires, 1,148 in Ontario originating
therefrom. Practically every fire
due to matches is the result of
carelessness.

Public education and a recogni-
tion of personal responsibility are
essential to the reduction of the fire
waste. It is particularly essential to
interest the young generation,
through the Canadian teachers, in
the efforts being made towards a
reduction of the fire loss.

Fire Prevention Day will give a
splendid opportunity for bringing
this subject to the attention of pu-
pils and should produce good re-
sults.

Rockford

The many friends and neighbors of
Mr. and Mrs. Lindsay Irvine met at
their home on Friday evening last and
spent the evening with an old fashioned
corn-roast and plenty of watermelons.
We are sorry to lose Mr. and Mrs. Irvine
from our community but hope they will
be happy in their new home. Our pas-

then all joined in singing the old song
"For They are Jolly Good Fellows" and
all left feeling the evening had been
a very pleasant one.

At a meeting of the stockholders
of the Hagersville Rink Company
held last Friday evening it was de-
cided to advertise for tenders for
the re-building of the skating rink
which was destroyed by the wind
storm last fall while in course of
construction. The company are
to be congratulated for their ear-
nest endeavor in trying to provide a
suitable place for the rising genera-
tion to enjoy good healthy sport —

In Memoriam

SWING—In loving memory of our dear
son, William Henry Swing, who was
killed on Shan Island, Sept. 23, 1912.
Gone is the one we loved so dear,
Silent is the voice we loved to hear;
Too far away for sight or speech,
But not too far for thoughts to reach.
In our hearts your memory lingers.
Sweetly, tender, fond and true;
There is not a day, dear Henry,
But we always think of you.
—Father Mother and Brothers.

Dr. Robert Shearer, of Charlotteville,
was found dead on his farm near Walsh
on Tuesday. He had apparently been
trying to put a heavy tree limb over the
fence when it fell on him breaking sev-
eral ribs and crushing his chest. He
evidently died instantly.
