OUR BOYS' AND GIRLS' CORNER

DEDICATED TO EVERY BOY AND GIRL IN CANADA

My Dear Boys and Girls—Loving thanks and greetings to all who sent me good wishes for Easter.

I hope all our members had a happy holiday.

OUR MAIL BAG.

I am pleased to welcome eight new members this week. There would have been two more only they forgot to send stamps with their letter for the badge. Try and remember to do this all of you as I like to send you a badge as soon as you write me.

Merlin.

Dear Aunt June—I have been reading your Boys' and Girls' corner and would like very much to join your club. Please send me a badge. I am about 15 rods from school and some of the things I do are: Sometimes I wash the dishes before I go to school, I feed the chickens and horses, clean out the chicken house and stable. Hoping to have my letter in print, I have signed the pledge so I will close.—Herbon Crew.

Dear Herbon—I wonder if you wanted to make your Aunt June very curious by typewriting a letter to her. I am wondering very much what sort of a typewriter you used and when you learned to use it. You did your letter very nicely. I am pleased to send you a badge and welcome you as a member of the Helpers' League of Service.

Kimberley.

Dear Aunt June—I have been reading the Boys' and Girls' corner and think it fine. Each morning when papa is getting up he calls me and I get up when the fire is put on. I sweep the floor and pile the dishes than I iron if there is any ironing to be done or work at other jobs. I go to Kimberley on errands (one mile from here). School is closed with measles now. As the houses are quarantined the children cannot come to S. S. so being as I have had the measles I take them the S. S. papers. I would like to get a badge so I am enclosing a stamp. I go to school every day and get along good. I have a book for being ahead of my class all year. Good-bye Aunt June, with love from

KATHLEEN HUTCHINSON.

Dear Kathleen—How very busy you must be taking the S. S. papers round to the other children. I am sorry to read of them all having the measles and I do hope that you will all be able to go back to school again very soon. I think it splendid for you to be top of your class all the year and hope you keep there this year. I am sending you a badge and hope you will always wear it. Write to me again soon and let me know when you go back to school and how you are getting along.

Wellandport.

Dear Aunt June—I would like to be a member of your club. I am ten years old and I am in the junior third class at school. I have a little brother who will be 2 years old in April. I wash the dishes and make the beds, sweep and dust and look after my little brother and I do a few other things. Wishing the club the best of success.

ETHEL KILLINS.

Dear Ethel—What very pretty paper you wrote your letter on. Did you get it for Xmas? I am sending you a badge and am glad to welcome you as a new member of the club. I hope your little brother keeps well as I am sure you must be able to play lots of games with him.

Spruce Grove, Alta.

Dear Aunt June—I have been reading the Boys' 'and Girls' corner every week for quite a while so I decided to join too. I have signed the pledge and hope to receive a badge soon. I passed my exams last June when I was thirteen and now I am fourteen I don't go to school any more. As it is winter we don't do much. I get up every morning and feed the stock before breakfast and while my father milks after breakfast I help to clean out the stable and haul straw. At night my little brother (who is ten) helps me feed them. I worked all summer on our summer fallow and plowed in the fall. I have four sisters and three brothers that have left home already so my little brother and I are alone on the farm with our father and mother. Wishing your club every success.

BILLY BOY.

Dear Billy Boy—Thank you for your very interesting letter. You are indeed a busy helper and I very glad to be able to send you a badge and count you a member of the League. I hope you get a very good summer this year and are able to work again on the summer fallow. Write and let me know how you get along on the farm this year will you? I wonder if the little brother would like to join the League too. I feel sure he will help you and father and mother and could become a member.

Caldwells Mill.

Dear Aunt June—I would like to join your club. I always read the letters the boys and girls write. They are very interesting. I am eleven years old and am in the senior second class. I like my teacher fine. I have a brother and sister. They are twins, Clarence and Gladys are their names. Clarence has long curly hair and Gladys has dark straight hair. For pets we have three cats and a Boston bulldog. He is a good watchdog. Our hens are laying pretty good and we are milking four cows. I always help to milk in the summer time gather the eggs, help to look after the chickens. I always wash the dishes and carry in the wood. I sweep the floor and help to make the meals. I am very fond of horses and cattle. I like to get to the farm to help my father with the chores but mother always says I must learn housework first so I will be a first-class housekeeper. I think I have written a long letter. Hoping to see it in print.

VERNA M. CURRIE.

Dear Verna—What a busy little Helper you are to be sure. I am glad to send you a badge and hope you will like it. I quite agree with mother that it is nice to be able to do all kinds of house work, but I used to feel like you do about being able to get to the farm where the horses and cattle are. I am especially fond of horses and dogs and am so sorry that I cannot have either in the city. I wonder if you can bake any cakes yet or what sewing you do. I should like to get another letter from you some time telling me of these things. Thank you for the signed pledge.

Freeman.

Dear Aunt June—I have been reading your Boys' and Girls' corner for some time and enjoy reading it. I go to school every day and am in the junior fourth book. I help mother do dishes and bake cakes and cookies and do some utside chores besides. I have a pen of White Leghorns. They laid twenty-five eggs today. I took a pair to school fair and got a prize. I would like to correspond with any girl my own age, twelve.

FUDGE.

Dear Fudge—I should like very much to send you a badge but you forgot to send the three-cent stamp. If you will send it along I will send you a badge. What a splendid lot of hens you have. I hope you get another prize for them at the next fair. You must be sure to write and let me know.

Will a Helper of Fudge's own age please write to her, and address the letter to Miss Winifred Watson, Freeman, R. R. No. 1, Ontario.

Dear Aunt June—I like reading the letters very much. I go to school every day. I help daddy with the chores and help mother in the house. I would like to correspond with someone of my own age, ten.

BUBBLES.

Dear Bubbles—You also forgot to send a stamp but if Fudge sends one I will send you both a badge.

Will a Helper of ten please write to Bubles and address her care of Miss Winifred Watson, as above.

Now we shall have to save all other letters for next week. If you do not see yours on the page look again. Everyone will be answered in time. Yours lovingly,

AUNT JUNE.

TOO MUCH TUBERCULOSIS

Toronto Has Abuot 5,,000 Cases, Says Dr. Hastings.

Toronto has about 5,000 cases of active tuberculosis, according to a statement made by Dr. C. J. O. Hastings, medical officer of health of Toronto. "We want better team work between the doctors and their patients on the one side and the Department of Public Health," Dr. Hastings said. "For want of proper team work we have fallen down in our efforts to control tuberculosis," he added.

Kellogg's Asthma Remedy is very grateful. Its help is quickly apparent and soon the dreadful attack is mastered. The asthmatic who has found out the dependability of this sterling remedy will never be without it. It is sold everywhere.

TELLS DYSPEPTICS WHAT TO EAT

Avoid Indigestion, Sour Acid Stomach, Heartburn, Gas on Stomach, Etc.

Indigestion and practically all forms of stomach trouble, say medical authorities, are due nine times out of ten to an excess of hydrochloric acid in the stomach. Chronic "acid stomach" is exceedingly dangerous and sufferers should do either one of two things.

Either they can go on a limited and often disagreeable diet, avoiding foods that disgree with them, that irritate the stomach and lead to excess acid secretion or they can eat as they please in reason and make it a practice to counteract the effect of the harmful acid and prevent the formation of gas, sourness or premature fermentatien by the use of a little Bisurated Magnesia at their meals.

There is probably no better, safer or more reliable stomach antiacid than Bisurated Magnesia and it is widely used for this purpose. It has no direct action on the stomach and is not a digestient. But a teaspoonful of the powder or a couple of five grain tablets taken in a little water with the food will neutralize the excess acidity which may be present and prevent its further formation. This removes the whole cause of the trouble and the meal digests naturally and healthfully without need of pepsin pills or artificial digestents.

Get a few ounces of Bisurated Magnesia any reliable druggist. Ask for either powder or tablets. It never comes as a liquid, milk or citrate and in the bisurated form is not a laxative. Try this plan and eat what you want at your next meal and see if this isn't the best advice you ever had on "what to eat."

"Face Hospitals" in Paris.

In Paris, in the centre of the fashionable shopping districts a "face hospital" has been opened, which is patronized by many well known women. By enduring five days' residence there and submitting a painful incarceration of the face in a special mould, they are able to shed their wrinkles and so emerge looking anywhere from ten to twenty years younger. Unfortunately the treatment has to be renewed every four or five years at great expense and with reduced efficiency.

Worms feed upon the vitality of children and endanger their lives. A simple and effective remedy is Mother Graves' Worm Exterminator.

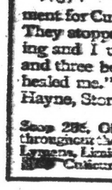
PIMPLES ITCHED AND BURNED

Face Was Badly Disfigured. Cuticura Soap and Ointment Healed.



"Small red pimples and blackheads began on my face and my face was badly disfigured. Some of the pimples festered while others scaled over and there were places where the pimples were in blotches. They used to itch and burn terribly.

"I saw an advertisement for Cuticura and I tried them. They stopped the itching and burning and I used four cakes of Soap and three boxes of Ointment which healed me." (Signed) Miss V. A. Hayne, Stormont, N. S., Dec. 26, '18.

MARSHALL FOCH'S PAY

Famous French General Got $1.60 Per Day Before Being Raised to $35 a Week.

Before the war French army salaries were hardly commensurate with the cost of the regulation gold braid; but this miserable condition has been changed. Thus it appears that "Uncle" Ferdinand Foch, generalissimo of millions of the allied armies, broke the "invincible" German army and saved the world for about $1.60 a day. The amount allotted to a divisional general, including the extra francs for being married, is 32,940 francs, which pushes the general's weekly wage up about $35. Before the various supplements were added the general's salary was about $23. French brigadier-generals draw about $25.50 a week, while his lieutenant-colonel makes about $3 less, if married.
