## LOCAL AND PERSONAL

Down with the booze!  
Hogs were \$12.25 per cwt. this week. Father Cleary is reported as feeling somewhat better.

The International Baseball League season opens to-day.

Miss Comley, of Collingwood, is visiting at the home of Mr. and Mrs. W. A. Owen.

Mrs. Jas. Walker spent over Sunday with Mr. and Mrs. Moses Walker at Nanticoke.

Gus Weil shipped a carload of horses on Monday from this station to Jos. Owen at Winnipeg.

Mr. and Mrs. Wm. Wood of Port Dover, are visiting at the home of Mr. and Mrs. Wm. Abraham.

Mr. W. C. McCarter, of Duluth, Minn., arrived here last evening, on a visit to his brothers and other relatives.

Jas. H. Brock, of Port Dover, was in town on Monday and leased his property west of this village to Thos. Taylor.

The dance given in the Music Hall last evening by Smith's orchestra was well attended and all apparently had a good time.

The very heavy rain on Saturday was followed by sleet and snow, and Sunday the weather was very much of the winter variety.

The Toronto World has ceased publication, and has been purchased by the Mail and Empire, who will continue to publish the Sunday edition.

Rev. H. J. Johnson, who has been Rector at Port Dover for the past ten years, moved to Parkhill last week, where he has accepted a call.

Mr. Cameron Allen, of the Bank of Hamilton, Carberry, Man., is spending a few days here this week with his parents, Mr. and Mrs. C. G. Allen.

Bishop Clark of Hamilton will hold Confirmation Service in St. Paul's church, Caledonia, on Sunday evening next, when a class of thirteen will be confirmed.

Dr. and Mrs. Newell and children, of Hamilton, were in town Friday. Mrs. E. F. Jones accompanied them to the city for a few days visit, returning home on Tuesday.

Port Dover is pressing the Hydro-Electric Commission to connect that town with hydro service, and they expect to have the supply available by the first week in May.

Dr. J. R. Lancaster, of Tillsonburg, who was struck by a M.C.R. train about a month ago, died Sunday afternoon as a result of the injuries he received. The doctor's back was broken.

Five horses arrived at Hagersville last week from Stoney Creek to be trained on the track. There are some fast ones in the bunch, including Oro G., who has a trotting record of 2:10.

Ray Morrow, of Corry, Pa., spent a few days in town, the guest of Mr. and Mrs. D. Steel. Ray left yesterday for Toronto where he intends opening a branch for an American firm, handling a line of rubber goods.

The horse, buggy and harness stolen from P. W. Cayuga, Indian Reserve, has been recovered by Constable Garlow. The horse was got near Selkirk, and a young Indian named Sherry has been arrested as the thief.

Sunday, May 1st, the brethren of Jarvis Lodge, No. 191, I.O.O.F., will attend Divine service in the Methodist church. The sermon will be preached by the pastor, Rev. E. L. Smith. Members of neighboring lodges are invited.

A soldiers' memorial tablet was recently unveiled in the town hall at St. Williams. It contains the names of all the soldiers who enlisted there. It is a square brass tablet of very fine workmanship and cost upwards of \$500.

On Monday, while Mr. John Ryland was turning his team around in Mr. D. Steel's yard, one of the horses backed into the cistern. It took quite a number of men to get him out. Fortunately he was none the worse for his unpleasant experience.

## Rink Meeting

A meeting of the shareholders of Jarvis skating rink will be held in the Temperance Hall on Tuesday evening, April 26th, at 8.30, to appoint provisional directors. All shareholders are requested to be present.

Mr. A. E. Evans of Tillsonburg has recently purchased a residence in Hamilton and expects to move the last of April.

A pure bred Ayrshire cow, the property of George Whitsett, of Houghton, completed on Saturday a year's R.O.P. test, supervised by the Department of Agriculture. Her milk production for the year was 18,006.01 pounds—the second best in the Canadian records.

Both tea and olives are now being successfully grown on Vancouver Island. This year, too, there will be a good crop. Filbert and almond trees are in full bloom and the bamboo crop is large enough to harvest for baskets and fishing poles.

An indoor baseball league has been formed in Hagersville and this game will be played until the season arrives for playing outdoor ball. There are six teams and two games will be played in the arena on Monday and Friday nights of each week.

The baseball Club have decided to hold a dance in the Music Hall on Tuesday evening, May 3rd, towards raising funds for the club. Tickets are now on sale, which admit to dance and make the holders members of the club for the season. Help the boys by buying a ticket.

By the amendment now before the Ontario Legislature municipal clerks are to be appointed to issue marriage licenses. Of the license fee of \$5.00, \$4.00 will go to the province and \$1.00 to the municipality. Automatically, the right of present license issuers to issue will cease.

Hereafter in Ontario the killing of hares and rabbits will not be subject to any restriction either as to killing or sale under the game laws. The Fish and Game Committee of the Legislature took hares and rabbits out from the Game and Fisheries Act. There will be an open season for trapping and killing rabbits all year around.

John Murray, of Cayuga, met with a painful accident on Saturday while unfastening the harness from his horse at the residence of his son in North Cayuga. The horse started and knocked him down, the buggy passing over him and injuring his right knee. On the same evening while walking with crutches along the veranda of his house he fell and broke one of his fingers.

In company with the cost of living and the cost of dying, the cost of being born is "high." The family that can have an addition at less cost than \$100 is extremely lucky. Such a family must be one of those fine old fashioned ones in which the ceremony was performed at home, and Grandma and Aunt Effie come for a three weeks' visit, and the only money expended is the doctor's fee.—Toronto Star Weekly.

Tuesday night last, on returning from Port Dover about half past ten, Mr. Lea Marshall, of the Black Creek Creamery, spied what appeared to be a crippled car with three men working around it. Stopping his own car and getting out to investigate, he was held up by one of them who demanded his money. After he had finally convinced them that it was only small change he carried he was allowed to go without further molestation.

## The New Arena at Cayuga

A tender for the erection of the Memorial Arena in Cayuga submitted by T. J. Rispin of Echo Place, Brantford, has been accepted and work will commence soon. It is expected that the rink will be completed by the end of May.

It is proposed to erect a brick front on the new structure which will give the building an imposing appearance. A generous donation for this purpose has been made by our most public spirited citizen, Mr. J. Kohler.—Advocate.

## Young Folks! Concentrate

(Action Free Press)

People generally haven't much use for the man who is known as "A jack of all trades." Half learning a dozen things don't get anyone very far. Such a worker is very fortunate if he gets a fair living from his smattering of knowledge. But the ability to do one thing better than the average workman brings with it a competence and a certain distinction, and not infrequently wealth. More and more does the world demand the thorough mastery of some one line. Know all there is to know about some one thing, and there is a place waiting for you. Learn to concentrate in spite of what may seem to be insurmountable obstacles. Success will be inevitable.

## Ontario Votes Dry

Jarvis Gives Dry Majority of 130.

Ontario voted for "bone-dry" prohibition on the ballot to stop importation by a majority of probably 135,000. All of the municipalities in Haldimand county gave majorities for the dries. The campaign in the village was, like many other places, all one-sided, the anti-making no move whatever to show fight. The result of the vote here was 187 to 57, a majority "yes" of 130. The following is result of the vote in Walpole township: WALPOLE.

## THE CITIES

The two dozen cities of Ontario divided as follows:

Wet—Toronto, Hamilton, Windsor, St. Catharines, Port William, Port Arthur, Kitchener, Welland, St. Catharines, Kingston, Ottawa—total 11.  
Dry—London, Chatham, Woodstock, Stratford, Belleville, Galt, Owen Sound, Niagara Falls, Peterboro, Guelph, Brantford, St. Thomas, Sarnia—total 13.

Only two counties voted wet—Essex and North Waterloo.

## UNANIMOUS!

Judging from the result of the polling on Monday the village of Verner cannot exactly be classed as an aspirant to the dry column. There were 254 votes cast there, and a record was established for the entire Nipissing district by reason of the fact that there was not a single cross marked opposite the "yes" column. The wet majority was 254.

## WHAT REFERENDUM MEANS

The result of the referendum in Ontario Monday will be application of the Dominion law prohibiting liquor importation from any other province, state or country. As the result of the dry majority the province will put into force the Sandy bill, prohibiting "short-circuiting" or delivery within the province of liquor manufactured in the province, for there is still no law prohibiting the manufacture of intoxicating liquors in Ontario.

## Nanticoke

Some of our young men try to imitate the Telephone Operators, by saying—"I'll call again."

Mrs. Parsons, and her daughter, Miss Mae Parsons, of Port Dover, spent a few days at the home of Mr. Geo. Evans.

We are pleased to report that Mrs. Hal-lam is slowly improving.

A few relatives gathered at the home of Mr. S. A. Thompson on Sunday last to celebrate their wedding anniversary. The Village Post, who was present, rendered an appropriate toast in the form of a poem which he composed.

The U.F.O. held their usual monthly meeting last Friday evening.

Dr. Jacques visited the Nanticoke Public School last Thursday, in the interests of the Board of Health and gave very interesting talks on "Sanitation." We are glad to report that Mr. Frank Field is back on duty again, after a week's illness.

Smith's orchestra, of Simcoe, will furnish the music at the Baseball Club dance in the Music Hall, Jarvis, on the evening of Thursday, May 3rd. All are invited.

MR. W. E. Wood returned home here last evening, after spending four or five weeks at Hamilton hospital where an operation was found necessary. We are sure our readers will be pleased to learn of the improved health of both Mr. and Mrs. Wood.—Port Dover Maple Leaf.

## The Rink Purchased

The skating rink committee, encouraged with the success they have met with in their canvass for shares, went to Port Rowan last Thursday and purchased the rink building in that town. It is the intention to have the building torn down and removed here at an early date and re-erected on village park property. The building, we understand, is 50 x 100, with a double floor in the upper part which was formerly used for roller skating. This building when moved here will not only serve as a skating rink, but also as an exhibit building by the Agricultural Society. The committee who took hold of this enterprise are to be commended for their successful efforts.

## Baseball Club Organized

The meeting held last Friday evening in the Temperance Hall was attended by about twenty players and fans, and resulted in the Jarvis Baseball Club being re-organized for the coming season, the following officers being elected:  
Hon. President—Dr. Leatherdale.  
President—Reeve G. L. Miller.  
Sec'y Treas.—J. S. Burwash.  
Manager—Chas. Brock.  
Ground Committee—E. T. Carter, W. Hodges, H. Peacock.

It was decided to hold a dance on the evening of May 3rd, and the following committee was appointed to make it a success: Messrs. Geo. Harris, Floyd Underhill, Harold Burwash, J. C. Walker, M. Church and R. J. Robinson.

The prospects are bright for developing a good local team this season, and it is the intention of the management that many more games will be played than last season. As soon as the new grounds can be got ready the boys will begin putting in some hard training.

## Jarvis Women's Institute

The afternoon of Wednesday, April 13th, proved ideal, and thirty-one of the ladies took advantage and attended the Women's Institute at the home of Mrs. G. L. Miller. Those ladies who do not attend fail to realize what they are missing. We certainly have an intellectual treat which all should enjoy.

After singing the "Ode", all joined in repeating the Lord's Prayer. Minutes of previous meeting read and approved and various items of business discussed.

Mrs. Meehan gave some very helpful suggestions from the committee meeting of the County Institute at Cayuga. Very interesting and instructive papers were read by Mrs. Owen on "What is Education?", Mrs. Meehan on "The History of Education," and Mrs. McNeil on "Girls' Preparation for Life." A number of selections were sung by the members, assisted by Harry Lauder (on the victrola).

We closed by singing God Save the King, when light refreshments were served, from which we realized \$5.00 in aid of the Park fund.

## The Housing Problem

The high cost of building material, the rapidly increasing population, and the enormous annual destruction of dwelling houses, in which there were 5,644 fires last year in Ontario, have combined to make the housing problem one of the most serious and acute proportions.

Ontario is noted for its extravagance through unnecessary fire waste, which is nothing short of an economic crime, caused chiefly through our careless habits and indifference.

Statistics show that 64 per cent., or practically two out of every three fires, which occur, are in our homes; eighty per cent. of which are preventable.

The Ontario Fire Prevention League, in affiliation with the Fire Marshall Department, has inaugurated a Province-wide publicity campaign for the purpose of conserving our homes as well as our lives from destruction by fire. The boys and girls of the Province will be called upon to assist in this most desirable and patriotic movement. Through the principals and teachers of our schools, the League will distribute 150,000 copies of a "Home Inspection Blank," so that the pupils, with the help of their parents, may answer the questions. The primary object is to clean up attics, cellars, back yards and remove hazardous conditions. The underlying thought being to prevent fires by removing the cause and thus save our homes.

On Sunday night at 9.30 three masked robbers entered the home of Thomas Hayes, a crippled man, who lives near Naber and after he was roughly handled they secured \$190 in money and made a hasty get-away in an automobile. Before the robbers proceeded with their work they cut the telephone wire and thus cut off all communication with neighbors.—Waterford Star.
