More drastic embargo measures against the corn borer may have to be adopted, since the damage done by this pest this season will greatly exceed that of last year, declares K. G. Crawford, who has charge of the work of eradication.

The old timers and the juvenile nine of the village staged a ball game at the park last Friday evening in which the score was a tie, 12-12. Another game was played Monday evening and this time the juniors trimmed the "old fellows" by a score of 15-4. The youngsters are improving and put up a very creditable game.
Due principally to the long hot, dry spell which prevailed over practically all Ontario during the larger part of July, the apple crop prospects are considerably reduced. Apples have dropped heavily and scab had developed very rapidly, even in well cared for orchards. Early apples in a large number of orchards are maturing considerably under size.
A picked up team from this village went to Selkirk last Thursday to take part in the ball tournament. Selkirk defeated Lamb's Corners in a closely contested game by a score of 6-4. The second game, Sanduski vs. Jarvis, resulted in favor of the former by a score of 7-7. In spite of the inclemency of the weather a large number from the surrounding district met to witness the games.

The potato crop in Ontario is said to be a poor one. Newspaper reports on this subject are fully substantiated by the official government bulletins. "Few in the hill and many scabby" is the way the report goes. Indications are that the crop will run some 40 per cent. less than the 1920 yield, and the prices may soar as high as eight or nine dollars per bag. All of which is poor consolation to the chap who sold new potatoes for 27 cents a basket early in the season.
The funeral of the late John W. Armstrong, brother of Percy Armstrong of this village, took place on Wednesday last from his home in Oneida to the Cayuga cemetery, and was attended by a large number of friends and relatives. The deceased was at work on his farm and had taken in two loads of oats, assisted by his son, when he was seen to fall. He passed away within a few hours as a result of a stroke. His widow has been ill for some time and now lies in a critical condition. It is only little more than a month since his mother was laid to rest.

Walker Family Reunion

The 13th Annual Reunion of the Walker family was held on Wednesday, August 10th, at Hickory Beach Park, Nanticoke. Fine weather prevailed throughout the day and a very enjoyable time was spent by all. The attendance this year was slightly below the average, there being 125 present. All branches of the family were represented, members being present from the immediate locality, Port Dover, Hagersville, Hamilton, Toronto and Buffalo.

After an exciting soft ball game, dinner was served in picnic style at 12.30 o'clock. The usual abundance of good things to eat was quite in evidence. Immediately after dinner another ball game was got under way, followed by the sports programme as arranged by the sports committee. Races for the little tots were run off and they were all made happy by a plentiful distribution of candy. The winners in the other events were as follows:

Girls under 12 years—Mildred Walker, Dorothy Walker, Jennie Hawn.
Boys under 12 years—Victor Pond, Chas. Walker, Kenneth Vokes.
Boys 16 years and under—Harold Pond, Roy Pond, Roy Henning.
Young Ladies Race—Mildred Walker, Leota Werner, Vera Walker.
Single Men's Race—Harold Pond, Art. Vokes, Cliff Walker.
Married Ladies Race—Mrs. Geo. Walker, Mrs. Cecil Werner.
Married Men's Race—Geo. Walker, Elvin Pond, Wm. Walker, Jr.
Hurdle Race—Elvin Pond, G. Walker, Harold Pond.
Girls' Ball Throwing Contest, (Soft Ball)—Vera Walker 98 ft., Mrs. G. Walker 86 ft.
Standing High Jump—Boys—Roy Pond, Geo. Walker, Jr.
Running High Jump—Men—Harold Pond, Cliff Walker.

Pole Vault—Harold Pond, Cliff Walker. (Highest jump 7ft. 4in.)
After the evening meal the necessary business of the reunion was disposed of. The general committee was increased to six in number. In addition to the three old members of the Committee being retained, the following were added—Alf. Kendrick, John Walker, Moses Walker. The General Committee was authorized to appoint the necessary sub-committees for the following year.
It was also decided that the 1922 Reunion be held at the same place at Nanticoke on the second Wednesday in August as heretofore.

Expressions of regret were heard on every side that so many found it impossible to attend. Their presence was greatly missed by all there. The committee are looking forward to an enthusiastic gathering next year and hope to have every member present at the time and make the 1922 reunion the biggest ever.
In response to the Committee's request for a message from any who found it impossible to be present, J. A. Bannister of North Bay sent the following very interesting lines of Greeting:

North Bay, Aug. 7, 1921.
To all the Walkers gathered
At good old Hickory Beach,
The Bannisters send greetings,
To every one and each.
We'll miss the happy meeting
With friends we've met before;
We'll miss the game of baseball
Where "Mose" brings up the score,
We'll miss the horseshoe pitching,
We'll miss our annual swim,
We'll miss the cherry faces
Of "Bill" and "Ted" and "Jim".
We'll miss the tables laden
Till they are almost broke,
The pies and cakes and chicken,
The after dinner smoke;
The troops of happy children,
The races on the green,
The candy, pop and peanuts,
The "suckers" and ice cream,
The speeches round the tables,
The mirth that from them springs;
The pains of indigestion
That over-eating brings.
And so we send our wishes
That this, by every test,
May be of Walker picnics
The biggest and the best.
May weather be propitious
Upon your gathering day,
And like a smooth macadam
The roads of Walpole clay.
May health and strength be granted
To all the Walker kin,
And when you meet next August
May we be counted in.

The grain growers of the Prairie province will have all the help they need when the workers now on the way are distributed. A general notice was sent out from Winnipeg to Toronto last week advising railway officials of the fact that no further farm hands would be required for the present, and as a result harvester excursions advertised for the 17th and 22nd of this month have been cancelled. All railways in Eastern Canada are affected by the notice from Winnipeg.
