**The Telephone Girl**

The telephone girl sits in her chair  
And listens to voices from everywhere.  
She knows all the gossip, she hears all  
the news,  
She knows who is happy, and who has  
the blues;  
She knows all our sorrows, she hears all  
our joys,  
She knows every time we are out with  
the boys,  
She knows all our troubles, she knows all  
our strife,  
She knows every man who is mean to his  
wife,  
She hears the excuses each fellow em-  
ploys,  
She knows every girl who is chasing the  
boys,  
She knows every woman who has a dark  
past,  
She knows every man who is inclined to  
be fast;  
In fact there's a secret 'neath each saucy  
curl  
Of that quiet, demure-looking Telephone  
Girl.  
If the Telephone Girl would tell all she  
knows  
It would turn all our friends into bitter-  
est foes;  
She'd start a small wind that would soon  
be a gale  
And engulf us in trouble and land us in  
jail;  
She could let go a story, which (gaining  
in force)  
Would cause half our wives to sue for  
divorce;  
She would get all the churches mixed up  
in a fight,  
And turn all our days into sorrowing  
nights;  
In fact she could keep all the world in a  
whirl  
When you think what you owe to the  
"Telephone Girl."

In a talk to advertising men, Arthur  
Brisbane of New York said recently,  
that there are five points that every ad-  
vertisement should possess: It must be  
seen, it must be read, it must be un-  
derstood, it must be believed and it must  
make the public want the thing it talks.

**Falls' 29th Annual February and  
Furniture Sale**

There's no place like the Home you are furnishing to your own liking—and no place (whether its a cottage or a mansion) like **FALLS' FEBRUARY SALE OF FURNITURE** to get the right furniture for it. This is the best February Furniture Sale from which to furnish a large home does not alter the fact that it is the best sale from which to furnish a cottage—it only makes it all the more certain. The store in which the people who pay little for their furniture should buy their furniture in the store that has done more to stabilize and standardize the quality of all furniture than nine stores out of ten.

People that "look around" before they buy and who possess any degree of furniture intelligence will buy furniture at Falls', Simcoe. This no doubt is the reason that our shipping book shows that we have made large shipments of furniture to residents of the following places, and it may seem strange, but it is nevertheless true, in nearly every case the larger the place the larger the shipment. "One example": Friday of last week we delivered to a resident of a "city" not 200 miles from Simcoe over \$1,500 worth of furniture and rugs. If you have a furniture or rug requirement it will pay you handsomely to come to Falls' during the February Sale. Its really a very fine show.

Here is a List of Places Outside of Norfolk Where We Have Sent Large Shipments of Furniture:

Coppercliff Fort William Gore Bay Winnipeg Norwich Welland Jarvis St. Catharines Hamilton Toronto Ottawa Tillsonburg	Sarnia Cayuga Dundas North Bay Hagersville Strathroy Caledonia Strathcona, Alta.
