OUR BOYS' AND GIRLS' CORNER

DEDICATED TO EVERY BOY AND GIRL IN CANADA

Dundalk, Ont.

Dear Aunt June:—I have been reading your Boys' and Girls" page and I would like very much to join your Helpers' League of Service. There are a great many things I do to try and help our King and Country, which everybody should do. Some of the things I do are to help mother with her work, such as bake, milk the cows, carry in water and wood, get the meals, look after the fowl and when I have got all the work down, I crochet. I am fourteen years of age and would like very much to receive a badge.

ANNIE ABBOTT.

Dear Annie:—You are one of the first helpers for a long time who has used the expression "to help our King and Country." I am glad you look upon help in this way, that is from the view of helping your country. I am glad you like to do crochet work. You must have a very happy busy life with all the many other things you do. I hope you will wear your badge.

R. R. No. 2, Lanark, Ont.

Dear Aunt June:—I have been reading the boys' and girls' letters for some time and thought I should like to be a Helper. We are having a lovely winter for sleigh-riding and going to concerts here. I live a mile from Middleville, which is a small village. I go to school. I am in the senior third class and eleven years old. My teacher is Miss Craig. I like her fine. For pets I have a black and white pup which will do some tricks, a black and white kitten and a black horse called Roy. He is very quiet. I have two brothers but no sisters. I help my mother to do the work, wash the dishes, sweep the floor, bring wood and water, milk, if necessary, and other things. I don't see your pledge published this week so I can't sign it. I would like to get a badge. I will close, wishing your club success.

CARRIE.

Dear Carrie:—I am glad you are enjoying the winter with plenty of sleigh-riding. I see you also have a teacher whom you like at school. That is splendid. You seem to love the colors of black and white in your pets. I would like to see the kitten and the horse. I am glad indeed to welcome you as a true Helper and to send you a badge.

Humphrey, Ont.

Dear Aunt June:—I live on a farm. I do the chores. I milk one cow, feed the pigs and hens and sheep. I get in the wood and cedar. I raked all the hay last year off three farms and drew in hay and oats. I am eleven years old and I am in the third book, and I do home work at night. I clean out the stables. I wish to receive your badge. I think I will close for this time. From your friend,

RICHARD CRONIN.

Dear Richard:—I am very glad to welcome another boy to our League of Helpers. You are quite a farmer judging by the number of duties you undertake. I am sure you have earned a badge.

Holyrod, Ont.

Dear Aunt June:—I wish to join your Club and I have signed the pledge. I am also enclosing a stamp for my badge which I hope I may receive soon. I am ten years of age and I attend a country school. I am in the senior second class. After I come from school in the evenings I help my mother all I can. Later I will write and give you a more definite description of my daily work. I will now close, hoping to see my letter in print and also wishing your Club every success.

PEGGY.

Dear Peggy:—I shall look out for your letters with the account of your daily work. I hope you will tell me something about your school. I am very pleased to welcome you into our League of Helpers and hope you will like your badge.

PLEDGE FOR HELPERS.

"Do a little kindness to someone every day,
Scatter rays of sunshine all along the way."

I pledge myself in the service of my King and Country to do my best in my daily work, whenever it may be, to help others whenever possible, and to endeavor in every way to make myself a good citizen.

Ceylon, Ont.

Dear Aunt June:—I would like to join your League. Please send me a badge. I am eleven years old and go to school every day, and when I come home at night I get in the wood and water and I sometimes wash the dishes, and sweep the floors for mother and mind the baby. I have three brothers and two sisters. My baby sister is two years old. I hope I get my badge. I must close now.

JIMMIE LAUGHLIN.

Dear Jimmie:—What a useful boy you are to be able to wash dishes for mother and look after baby sister! You did not tell me very much about her. I wonder if she is dark or fair. I am sure she would love her big brother. There must be a lot of helping to do in your house with four boys and two girls, but it is very lovely to be one of a big family, isn't it, Jimmy? I hope you will wear your badge to show that you are a true Helper.

Beachburg, Ont.

Dear Aunt June:—I would like to join your League. Please send me a badge. I am ten years old and am in the senior third class. I like our teacher. Her name is Miss Dougherty. For pets I have a dog. I can drive him around. I have three big cats and a wee kitten. It will play with a string. One of the old cats weighs twelve pounds. I am sending a three-cent stamp for my badge. I wash dishes and sweep the floors and other house work. I have two sisters older than myself and one brother younger.

ISABEL COWIE.

Dear Isabel:—What a scrappy little piece of news you gave me about your dog. Is he a big dog, is he a terrier or hound, and what does he look like? I wonder if he can do any tricks. I always like to hear about pets and would like to see the wee kitten. I am so glad you like your teacher. School is so much happier when the teacher is a real good friend with the pupils. Perhaps you will tell me more about your school one day. I hope you will like your badge.

London, Jct., Ont.

Dear Aunt June:—I, like others, wish to join the Club. I go to school every day as my parents wish me to get a good education. When I come home from school I cut wood and sometimes carry water for my mother. During last summer holidays I plowed two fields of about five acres each. I have two brothers and two sisters. I do not know how much in stamps to send so I will send four cents worth. I hope to receive my badge safely.

RALPH CLIFFORD.

Dear Ralph—You will see you have arrived in the very good company of three other boys. As I have said before, I am always glad to welcome boys into our page. Plowing two fivacre fields certainly sounds like helping. I expect you like this work very much. Most boys I have met on farms love to plow. Tell me about your brothers and sisters some day when you write. I would like to know if they are Helpers, too. Any boy who helps his mother deserves a Helpers' badge. Of course, every real boy should help his mother whether he has a badge or not, but I want to give a badge to every boy in Canada who tells me he does his best for those at home.

R. R. No. 3, Caistor Centre, Ont.

Dear Aunt June:—I am going to call you Aunty just for fun. I call most everybody Aunty. I am thirteen years old and am going to try my entrance exam. in summer holidays. I can do most everything on the farm but plow. I have a Broncho pony which I ride. I think a great deal of it. Here's hoping I may receive my badge.

EDWARD McDONNELL.

Dear Edward:—I have been Aunty to so many hundreds of boys and girls through the League of Helpers that I am very pleased to have yet another one call me Aunty. I have some really, truly nephews and nieces of my own and the youngest one is only two years old. The oldest one is just nine months younger than Aunt June. Now, don't you think that it is very funny for an Aunt to have a nephew almost her own age. There, I have given you some news about myself. Your letter reads as though you are a very useful boy about the farm. I would like to see your Broncho pony. I am sure you must love him. Wouldn't it be splendid if every boy could have a pony to ride. You are very fortunate to have such a pet.

Paisley, Ont.

Dear Aunt June:—I wish to join your League of Helpers with the other boys and girls. I go to school every day. When I come home I help get the supper, and after supper I help wash the dishes, sweep the floor, and put the little ones to bed. I sometimes help to milk, but when papa is at home he milks in my stead, and I help mama and Amy in the house. I am going to tell you about our school. The trustees got new seats and new blackboard. They also painted the walls, ceiling, wainscotting, etc. Our teacher's name is Miss Clements. I am eleven years old and am in the junior fourth class. I have two-and-a-half miles to go to school. Please find enclosed a three-cent stamp for a badge. Hoping to see my letter in print, I will close.

M. JEAN McKENZIE.

Dear Jean:—You are a true Helper by all your deeds of kindness. I always love to hear from boys or girls who help their little brothers and sisters. How very interesting for you to have the school done up! You must be proud of the clean walls and new seats. It is just like going to an entirely new school. I wish you every success with your lessons and your service. You shall have a badge.

Otter Lake, Que.

Dear Aunt June:—I am a little girl nine years old. I would like to join your Club. I go to school every day. I sit with my cousin in school. We are both in the fifth grade. I help my mother all I can. I have four sisters and one brother. My brother is five years old. His name is George. Would you please tell me what I have to do to get a badge? I will close wishing Aunt June and all the members a happy New Year.

ANNIE MAY MOORE.

Dear Annie:—I shall be very pleased to welcome you into our League of Helpers. A little girl who helps mother all she can must be a member of Our Helpers' League and wear the badge. If you will write me another letter, tell me of the things you do at home, and enclose three cents to post your badge, I will send it to you by return.

Wyevale, Ont.

Dear Aunt June:—As I saw my other letter in the paper and saw what other boys and girls told of their pets and what they are doing, I am going to do the same. I have a lovely big black cat, and he is so fat and always so shiny, I call him "Darkey." I wash the dishes nearly always and sometimes I milk some of the cows. I have four sisters and one brother. I am the baby of the family. I will close now. I am your every day friend, Hoofus.

P. S.—I am sending a verse for your nice little corner:

Seven little niggers chopping up sticks,
One chopped himself and then there were six.
Six little niggers at a Beehive,
A bumble bee stung one, and then there were five.
Five little niggers walking on the shore,
One tumbled in, and then there were four.
Four little niggers sitting on a tree,
A branch feel on one and then there were three.
Three little niggers out to the Zoo,
A bear cuddled one, and then there were two.
Two little niggers sitting in the sun,
One frizzled up and then there was but one.
One little nigger living all alone,
He got married and raised seven of his own.

I am glad to hear from you again, Hoofus, with so much news. I think by now you must know that I am particularly fond of a black pussy cat. A black cat is supposed to bring luck. Is it not?

You see I have published your little verse. The game you sent in I shall print in our corner next week. I am glad to hear you are one of a big family, as I am sure you will not be lonely.

Look for more letters next week.

Yours Lovingly,

AUNT JUNE.

IMPORTANCE OF THE MAPLE SUGAR CROP.

Maple sugar and maple syrup are two products which are capable of much greater development in Canada. There is a market or all that can be produced, and maple products are legally protected to an unusual extent.

Nature supplies the raw material, in the sap of the maple tree, and as the run occurs at a time when other farm work is not pressing, much more attention might be given to securing this crop. The sap from the maple trees is one of nature's endowments to the Canadian farmer and one from which a onsiderable ad dition to his income may be secured with little effort.

The Publications Branch of the Department of Agriculture, Ottawa, has issued a revised edition of the bulletin "The Maple Sugar Industry in Canada," which will be sent on request.

STORMY WEATHER HARD ON BABY

The stormy, blustery weather which we have during February and March is extremely hard on children. Conditions make it necessary for the mother to keep them in the house. They are often confined to overheated, badly ventilated rooms and catch colds which rack their whole system. To guard against this a box of Baby's Own Tablets should be kept in the house and an occasional dose given the baby to keep his stomach and bowels working regularly. This will not fail to break up colds and keep the health of the baby in good condition till the brighter days come along. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.
