This kind of thieving is becomming a common thing throughout the country and unfortunately too many of the thieves are getting away with it.

Inspector for Haldimand

It is altogether likely that a license Inspector will be appointed by the provincial government for Haldimand county. This work has been under the joint supervision of the Brant and Norfolk Inspectors. Judge Hopkins' suggestion to the Attorney-General that the new provincial police official for this county, combine with his duties those of Inspector, seems to be a good one.—Dunnville Chronicle.

Start the New Year Right

There is a time to do the right thing, and the man who does the right thing is always conscious of having done his duty. New Year's is a good time to start, so before you renew your subscription to any paper, think a moment of the Farmer's Sun, and what it means to yourself and the farmers of this province. The paper is owned by the farmers and published solely in their interests. No other paper donates its entire energy to the farmer's cause. When sending in your subscription get your neighbor to subscribe, then you both will be doing the right thing at the right time. Think of the price, 104 issues for only $1.50. There is no other paper just like the Sun. The Farmers' Sun, Toronto.

Christmas Tree at St. Paul's

The St. Paul's Schoolroom was crowded on Wednesday evening last on the occasion of the Annual Christmas Tree and Entertainment. The Hall was prettily decorated. The proceedings opened with tea after which the children very creditably presented a program of carols, dialogues and recitations. The interest of the evening reached a climax on the arrival of Santa Claus who was warmly welcomed and presented the Sunday School prizes to the scholars who had earned them by regular attendance, and candies and crackers to all. An interesting event in the course of the evening was the presentation of five dozen teaspoons by the members of the Junior Auxiliary to the ladies of the Senior Branch for use at Parochial gatherings. These were purchased with part of the proceeds of their stall at the recent sale. The President of the Women's Auxiliary being absent, Mrs. Chambers, the First Vice President, accepted the gift of the children with a few suitable words of appreciation. The proceedings terminated with the singing of the National Anthem and the Benediction.

Mr. Wm. Doyle was re-elected reeve of Oneida township on Monday, defeating Jas. B. Smith by a majority of 3. Last year his majority was 4 over the same candidate. The councillors are: John Martindale, James Fleming, Harcourt Kerr, Chas. W. Kett.

Fifty Long Years of Happy Wedded Life

Mr. and Mrs. John Thompson, of Springbank, Celebrate Golden Anniversary

Friends and relatives to the number of seventy-five or more assembled at the home of Mr. and Mrs. John Thompson, Springbank, on Monday evening, to celebrate the golden anniversary of the wedding of that worthy couple. It is fifty-five years since Mr. and Mrs. Thompson, with their son Arthur, came to Springbank from their former home in Haldimand county, Ontario, and they have lived continuously in Springbank district ever since. Their long residence there makes them among the oldest settlers of the district.

A sumptuous repast was served to the guests and this was followed by a short toast list which included "His Majesty the King," "Springbank Old-timers," "Old Ontario Friends," "City Guests," and "The Host and Hostess" Joseph Robinson and J. T. McKnight spoke for Springbank old timers; T. E. Morrow and Geo. Henning represented old Ontario friends, and Dr. W. E. Spankie, of Calgary, responded for the guests from the city. Rev. E. J. Tate, pastor of the Springbank church, proposed the toast to the host and hostess and the company joined in the hearty singing of "For They are Jolly Good Fellows."

J. E. Wodell, of the Calgary Herald was toastmaster of the evening.

The toast to host and hostess was accompanied by the reading of an address of appreciation and presentation of a silver-mounted mahogany tray and silver tea service, from Springbank friends. Rev. Mr. Tate read the address and Mrs. Tate made the presentation, both host and hostess responded in neat little speeches.

The balance of the evening was passed in song, story and old-time dances in which latter host and hostess joined in a way that showed them to be as light of foot as they are of heart in spite of their advanced years. Guests and relatives were present from Calgary, Tofield and other parts of the province.

The above is a clipping from The Calgary Herald.

Mr. and Mrs. Thompson are well-known in the Township of Walpole and the village of Jarvis. Mr. Thompson was born on the old homestead just west of the village of Nanticoke. He is an elder brother of S. A. Thompson, Township Clerk of the Township of Walpole.

Annual Meeting

The annual general meeting of the Walpole Agricultural Society will be held on Saturday January 15th, at 1 o'clock p.m., in the Music Hall, Jarvis, for the purpose of submitting the financial statement of the Treasurer and Auditors for the past year, and electing Officers and Directors for 1921.

A full attendance is requested as arrangements will have to be made for the removal of the buildings and other equipment of the Society to new grounds.

Appeal For The Starving Chinese.

The Board of Foreign Missions of the Presbyterian Church of Canada has sent out the following appeal:

Correspondence from all sources confirms and intensifies all past reports as to the gravity of the conditions in China. The fact that from 30,000,000 to 50,000,000 lives are absolutely dependent upon charity and that five or six months must elapse before another harvest can bring relief, needs no comment.

The enclosed statement summarizes the situation. Ambassador Crane expresses the appalling prospect in one sentence when he says that in spite of the best that can be done 20,000,000 will die. Evidence multiplies as to the stupendous task providentially facing Christendom. The Chinese as never before are seeking to help themselves. Canadians must lend a helping hand. Can we not do so gratefully in remembrance of the fact that we are not the suppliants, that we have reaped a bountiful harvest? "It is more blessed to give than to receive." In such circumstances not to appeal would be rightly accounted blameworthy. Our missionaries are in the midst of it and are giving and serving as they are able. They have begun road building which will give employment to many thousands and be a permanent asset to China as well. They are co operating with contributions put into their hands.

The Famine Committee agreed to ask congregations to make an offering on Sunday, January 9th. Let all exercise their own discretion and follow their best impulses. It is a matter of life or death for millions.

T. R. Slaight Dead

Crown Attorney of Norfolk County for Twenty-One Years.

Simcoe, Jan. 3.—Thomas Rollo Slaght, K.C., for the past 21 years County Crown Attorney of Norfolk, died here this morning, aged 65 years. More than a year ago he suffered a serious illness, followed by an operation, and since then had been in poor health, although he was able to attend to his business until a month ago. He succeeded his former partner, John H. Ansley, as Crown Attorney in 1901. He is survived by his widow, formerly Miss Florence Wilson, and by two sons, Arthur G. of Toronto, and Roy of Haileybury.

Mr. Slaght was a Liberal, and for many years was connected with Trinity Anglican Church, Simcoe, holding office as Warden. His father, Elder Slaght, was for a great many years one of the best known Baptist preachers in the district, and belonged to a United Empire Loyalist family.

In early life Mr. Slaght was a civil engineer, but had been connected with the legal profession since the seventies.

MURDER SUSPECTS CONFESS ROBBERY

Police Unexpectedly Lucky in Arrests Made at Cayuga.

Believed to be implicated in the shooting of Dr. Whitworth of Binbrook, two young men were arrested by Constable Ralph Currie at Cayuga on Monday morning on charges of vagrancy. The youths gave their names as Robert and William Johns, of Bridgeburg. No weapons were found on the men, but they carried four flash lights, two screwdrivers and a plentiful supply of money.

It sometimes happens that the police are lucky. The murder suspects apparently became frightened when being quizzed by Chief Clark of Brantford and Detective Miller, and admitted having robbed the garage of W. Kett at Hagersville and the general store of George Clark at Caledonia. Among the cash taken from the store at Caledonia was some odd coins, and these were recovered. The pair will come up for hearing in a day or two.

Nanticoke Institute

The Nanticoke Women's Institute met last Thursday afternoon at the home of Mrs. Stanly Field. The meeting was opened in the usual way, by singing the Opening Ode. The business part of the meeting was next attended to, and it was decided to hold a Pork and Bean Supper at a later date

Miss Francis Evans favoured the Institute by an instrumental, "The Grand March." Mrs Ira Evans read an interesting paper on "The Christmas Spirit," which was followed by an instrumental by Miss Jean Vokes, "Con Amour" by Charles Beamont. Miss Ethel Butcher also favored the Institute by a waltz selection, "Sunset on the St. Lawrence." This was followed by a solo by Miss Eva Thompson, "Thinking of You." The programme was brought to a close by the singing of the old familar hymn, "Come To The Church in the Wildwood."

The hostess served a dainty lunch of chicken sandwiches, cream puffs and Christmas cake. 21 were present at the meeting.
