Perhaps He Was a Bargain.

Little daughter didn't feel very loving toward her father just then, and to her mother she went in a burst of confidence: "Was papa the first man who ever proposed to you, mamma?"

"Yes; but why did you ask?" asked the mother.

"I was just thinking that you might have done better if you had shopped around a little more."

It Was Hygienic Anyway.

"I sent you a kiss over the telephone," he said when he met her. "I hope you understood it."

"Oh, yes," she answered. "I understood, all right enough. But to me a kiss over the telephone is like a straw hat."

"A straw hat?" he echoed. "How?"

"Why," she coyly answered, "it isn't felt."

Law To The Limit

Two cantankerous old chaps got quarreling before a magistrate, whose decision naturally displeased the loser, who turned right in his opponent and threatened: "All right, I can get no satisfaction here. But I'll law you to the Circuit Court."

"Do, I'm willing," said the other. "I'll law you to the Supreme Court," added the threatener. "Correct—I'll be there," was the reply. "I'll law you to hell, so I will," was the final threat. "Go ahead," said the other. "My attorney will be there."
