#### The Royal Theatre, Hagersville

John Walker, of Port Dover, has taken charge of the Royal Theatre, Hagersville, and is now running a first-class show every night of the week, with a complete change of programme Mondays, Wednesdays and Fridays. Mr. Walker has had charge of the management of the Gem Theatre at Port Dover for a number of years, and the movie work and the movie life have been his special study. He loves real live photo-plays, and enjoys good up-to-date comedies, and also all the film plays that are in any way educative, amusing and of general interest. He knows the movie picture game from A to Z, and already the crowded houses that are flocking to The Royal at Hagersville every night are sufficient proof that his efforts are appreciated by all classes of the community, not only of Hagersville, but of the entire surrounding country. "At last," we overheard one enthusiast say, "Hagersville is to have a real live movie theatre," and the class of pictures that are being shown warrant such a remark. To more fully appreciate what is happening in the outside world, take a run down and spend a pleasant evening at The Royal, and you will be convinced that the higher-class pictures are being presented. Mr. Walker tells us that he personally "runs thru" all the films before they are put on, in order to be sure that nothing objectionable shall appear on the screen.

Mr. Arthur Evans, the promoter of the popular summer resort, Westlawn park, has made arrangements through Mr. Anders, secretary of the boy scouts of Hamilton, to have scout patrols camp there during the summer months. Necessary tents and equipment will be supplied by the militia department, after the closing of Niagara camp. Accommodation will be arranged for fifty to sixty boys, the duration of each party's stay being two weeks.

### What Do We Plant?

BY HENRY ABST

What do we plant when we plant a tree?  
We plant a ship which will cross the sea,  
We plant a mast to carry the sails,  
We plant the beams to withstand the gales—

A keel, a keelson, and prow and knee;  
We plant a ship when we plant a tree.  
What do we plant when we plant a tree?  
We plant the houses for you and me,  
We plant the pillars, the shingles, the floors,

We plant the studding, the laths, the doors,  
The rafters and roof, and all parts that be;

We plant a home when we plant a tree.  
What do we plant when we plant a tree?  
A thousand boons that we daily see;  
We plant a spire to out-climb the crag,  
We plant a staff for our country's flag,  
We plant a shade, from the fierce sun free;

We plant all wealth when we plant a tree!
