Among the several important amendments to the Ontario Statutes as passed by the Legislature last spring, is one of outstanding interest to the average citizen. It deals with the revision of the fees allowed witnesses attending the criminal and civil courts and increases the stipend from 75c to \$1.50 for each attendance. In addition the mileage allowed witnesses has been increased from 13 to 15 cents a mile, another item that should commend itself to outside citizens who have found the old allowance inadequate to meet the increased cost of living.

Head of Hagersville, and the police went there with McIntosh, who identified the car, and brought it back to Simcoe.

The same car was taken from Roy Colliver in Hamilton a fortnight ago, but he produced a receipt for \$850 paid for it, and he was released and the car returned to him.

## Death of Mrs. L. W. Kayser

Many Margaret Kayser, wife of Mr. Lewis W. Kayser, passed away on Saturday last at her home in Hagersville. The deceased had been in delicate health for a long time and the end was not entirely unexpected. She was in her 77th year. The late Mrs. Kayser was highly esteemed by a wide circle of friends, having taken an active part in church and social circles. Besides a sorrowing husband there are left to mourn the loss of a loving mother, three sons, Fred and Ward of this town and J. C. of Simcoe, and one daughter, Miss Nettie, at home. The funeral took place on Tuesday afternoon and largely attended, interment took place at Hagersville Cemetery. Rev. A. B. Vincent, of Strathroy, formerly pastor of the Hagersville Baptist church, of which the deceased was a valued member, conducted the services at the home and grave. The floral offerings were numerous and beautiful, testifying to the esteem in which the deceased was held.—Hagersville News.

## Rod and Gun

Rod and Gun in Canada, the popular Canadian sportsman's monthly magazine appears in a new and improved size with its September issue. The many improvements include a larger size of page together with a coated paper that adds considerably to the appearance of the stories and illustrations. This number is rich with stories, articles and anecdotes dealing with wild life in the various parts of the Dominion. The Great Mackenzie Basin is the title of the leading article, which is written by F. H. Kitto and tells of his 12,000 mile trip from Edmonton, north along the Mackenzie through the Pacific coast and then east to Edmonton. In addition to this article, this number includes thirteen stories and articles which together with the usual department makes an interesting issue of Canada's outdoor monthly. Rod and Gun in Canada is published monthly by W. J. Taylor, Limited, Publisher, Woodstock, Ont.

It is claimed for the girl, who has been taught by her father, that she can spell and define more English words than any other person in London.

Harvesting throughout the West is practically completed. Early threshing returns are reported as good.

## Caledonia Still Winning

Caledonia, the Haldimand County League winners, are still going strong in their march toward the Ontario intermediate championship. The Harvesters of Hamilton were easy picking for the champs last Thursday when they won on the Harvester grounds 11 to 1. The city champions, after winning their first out-side tussle from the Campbellville team, walked into the game last Thursday with a confident air, but their confidence was badly shattered in the first innings. The first Caledonia batter singled, the next one walked and the third reached first on an error, filling the bases; then N. Morrison, the fellow that wears the mask, picked out a nice one for a homer, clearing the bases, four runs being scored. Four more were added in the fifth, two in the sixth and one in the ninth. The harvesters scored one in the first, but were unable to score during the remainder of the game. Several were caught napping at second by the clever work of Wright and Hibbard. Wright, for Caledonia, pitched his usual gooey game, allowing only six hits, and of this number only three were what could be termed healthy blows. He had eight strike-outs. The score:—

Caledonia...4 0 0 0 4 2 0 0 1—11 11 3  
Harvesters...1 0 0 0 0 0 0 0—1 6 7

Batteries—Wright, and Morrison; Robinson, Clow and Roberts.

Umpire—Barber, Guelph.  
These teams will play the return game in Caledonia on Thursday.

Hamilton Spectator:—Outclassed in almost every department, the Harvesters intermediate team struck a snag yesterday afternoon right in their own back yard, when they were defeated by the stellar aggregation from Caledonia by a count of 11 to 1. On yesterday's form the lads from over the mountain should provide the stiffest kind of opposition before they are downed for the intermediate title.

## Hagersville Races

Hagersville races and ball tournament were held on Labor Day, and despite the threatening weather there was a large attendance and a good afternoon's sport. Three teams competed in the baseball tournament, Hagersville winning first money and Selkirk second. Rainham Centre failed to get a part of the prizes although in their game with Hagersville they were defeated by a score of 1-0, the former team being lucky enough to get the only run of the game.

Three races were on the card and Gus Weil's pacer, Oh Why, driven by Harry Field, won the three-minute class after losing the first heat. The best time for the half was 1.07½. The following is the summing of the races.

## Escaped From London Jail

London, Ont., Sept. 2.—William and Sydney Murrell, two of the quartet of auto bandits whose depredations ended in the slaying of Russell Campbell, a garage man, when they attempted a bold daylight robbery of the Home Bank at Melbourne last April, escaped from the county jail to-night. They are at liberty with no trace of the direction they have taken, leaving behind them the route of their escape as marked by sawn cell bars, a six-inch hacksaw with muffled guard, and a bricklayer's ladder with which they scaled the wall to freedom. Three weeks hence, on Monday, September 25, the Murrells, with "Slim" Williams, who remains a prisoner, were to have faced Justice Logie and a jury on a charge of murder.
