clears to us that His Father is also our's. His Father is God. So what was God's business to Jesus Christ must be the same to us.

THE NEWS OF 37 YEARS AGO
The following news is from "The Jarvis Record" of August 10th, 1887:

The hottest Summer on record. An ill-bread man—a sick baker. Local news items are like a hen's teeth.

Jas. Awde made us a pleasant call on Tuesday. Wallace McQueen, Simcoe, spent Sunday in town.

The only excitement on Sunday was a dog fight. Samuel Hunter, Jr., is spending his holidays in Hamilton.

Miss Maggie Jaques was home for a few days last week. A plug hat association is being organized in Waterford.

C. E. Bourne and family picniced at the lake on Friday. Miss Hobbs, of Toronto, is the guest of Mrs. Bradshaw.

Rev. J. Abraham and family of Whitby, are visiting in town. Several of our citizens picniced at Port Dover on Thursday last.

Jas. Bradshaw, typ. of the Times, Parkdale, is home spending his holidays. Rev. Mr. Pugsley, of Port Dover, occupied the pulpit of the Presbyterian Church on Sunday.

Mrs. Boulter, of Selkirk, spent a few days in town last week, with her parents, Mr. and Mrs. J. P. Biggar. Wm. F. Smith, of Nanticoke, called on us on Saturday, and wished "The Record" success, which he says it certainly merits.

A lady from town was driving in the country one day last week, and now insists that she saw a farmer pulling peas with a plow. Rev. Mr. Cunningham, formerly pastor of the Methodist Church here and family, are visiting friends and relatives in town and vicinity.

The 23rd Annual Session of the I. O. O. F. Grand Lodge of Canada, will be held in the Court House, at Peterborough, August 10 and 12. Jas. Williamson, of the 8th Concession, Walpole, had a field of peas and a large amount of stump and rail fence destroyed by fire on Saturday. Another spark from a locomotive.

On Saturday Bryce Allen had a colt, a three-year-old, killed on the N. & W. railroad. It seems that the animal got out of the field in which it was pasturing and found its way to the railway. A citizen of this town, after running a lawn mower for half an hour one morning last week, remarked that if he had ever said anything derogatory or unkind of the snow shovel he would most willingly take it back.

C. W. Yocum is transferring his barn into a foundry. An addition of 45 feet is being added to the south side for a moulding shop and the engines and machinery will be placed in the main building. Every facility will be there for the turning out of work of every description.
