Standard Of Value For Exterior Painting

Cost per gallon is a false basis from which to measure paint value.

The three all important points by which every paint should be judged are—“covering capacity,” “weather resistance” and “durability.”

Judge S. W. P. on that basis and it is the biggest paint value you can get.

“Cover The Earth” label is everywhere regarded as a guarantee for goodness.

THE PLACE OF QUALITY.

Service is a word that is very much abused. It is tossed and thrown about carelessly by many who have no right to its use.

But after all service is action, not words and the ever widening host of friends and customers attracted to the store of J. A. Burwash is ample proof that here they find the true interpretation of the word service.

We want your business. You can profit by our service.

We have in stock now a large range of Staples for Fall in every detail. A very rapid turnover enables us to ask only the keenest prices.
