QUEBEC IN WINTER TIME

(1)—The Chateau Frontenac stands sentinel over Old Quebec. (2)—The Toboggan slide on DuRoi Terrace, Quebec. (3)—Bobolting is a popular sport at Quebec. (4)—Quebec Skating maid pauses to take in the beauty of her environment.

OVER all the world there's not another place like Quebec. Its beauty and its old-world charm made it famous everywhere. Three hundred years have passed since first it began to be, and each one of those years has left its mark upon the town.

KEEPING THE TRAINS SPOTLESS

1. Packing away the rugs after having had their turn on the vacuum. 2. Cleaning the pillows on the vacuum cleaner invented by Canadian Pacific employees. 3. The train carpet beater in action. Straps attached to the rollers quickly loosen all dust.

A FEW hours spent in the Winnipeg, Montreal and Vancouver yards of the Canadian Pacific Railway while the dining and passenger trains are being cleaned gives one the assurance that there is little need for travellers to worry as far as germs are concerned.
