alert and happy and such as would be While a minor point in this letter, ost use to other girls. Thus letwhich had excellent suggestions not be urged by the judges as uni-garls of a certain temperament versilly applicable, great importance A SPLENDID MEDICINE for girls of a certain temperament versilly applicable, great importance ranked lower than those whose advice was felt to attach to accessity of applied to all temperaments. The avoiding narrowness of interests and number of points covered was not to the concrete advice to associate taken into account except that where with those engaged in different work two letters emphasized suggestions of from one's own. The old world maxim equal value preference had to be given to be "civil and strange" with all Baby's Own Tablets are the best result of a couple of serious accidents health.

place on account of its two keystone points on which the whole next week.] febric of a healthy, happy life must be based; dne, that congenial employment is essential to health; two, that in le sure time busines; women should Jones?" 'revel" in recreation. These are obvious points, so chylous and so big lows who always grab the stool when that many fail to see them. How many girls realize their supreme imce to the extent of going to Minard's Liniment for Colds, etc. considerable trouble to find work which they enjoy, even possibly at a lower salary? Again, how many who to realize that money might be well and wisely spent in get- tares is about 400,000,000 miles.

105th Annual Meeting

ing Down Cost of Living in Canada—Reviews Features of Annual State-

ditions More Satisfactory than a Year Ago.

The Positive Versus the Negative Man.

The negative mind never gets anywhere; it can only destroy, tear down. It is very easy to develop a negative state of mind, and it is very fatal to success. We must get rid of it before we can attract presperity or develop efficiency.

We cannot act negatively without getting negative results.

The vacillating man, however strong in other respects, is always Quit of the 200 entries for this com- ting laundry, sewing, etc., done for determined, positive, decisive man who petition the judges, Dr. Edna Guest, them and thus buying leisure and time knows what he wants to do, and does
