Edon's report
To live and let live
All things the way
They ought to be

The Nanticoke U.F.O. will meet in the Hall at Nanticoke on Tuesday night, Feb. 14th.

All the Murphy's Mulligan's and Muldoons will take part in the Knox church social on the 17th.

The red and green decorations on the white painted walls of Harris' butcher shop sure makes that shop exceedingly attractive.

The Officers and Directors of the Jarvis Agricultural Society will meet on Wednesday, Feb. 15th at 2 o'clock p.m. in the Secretary's office. A full attendance is requested, as business of importance will come before the meeting.

Mr. W. H. Fradley has purchased the ice cream business from Thomas Harris and will continue the ice cream line and in addition will provide light lunches, such as, tea, coffee, sandwiches, etc.

The Epworth League Social on Wednesday evening, in spite of the weather, was a big success. An old fashioned spelling bee featured the evening's entertainment.

Might we suggest that the Epworth League at their business meeting appoint a publicity agent who will turn in a full account of their social evenings to the Record.

John—“There's a man in the dining room with a wooden leg named Smith.”

Wilfred—“What's the name of his other leg?”

Thos. Harris has sold his ice cream parlor to W. H. Fradley. Mr. Harris extends thanks to the many who patronized him in that line and hopes for the same liberal support to Mr. Fradley.

The Quarterly Official Board of Jarvis Circuit met in the Garnet church on Monday afternoon. After the usual business was transacted the Board and friends to the number of 40 sat down to a bountiful feast prepared by the ladies of the Garnet congregation. After dinner the presentation of a cane to Mr. Rodgers, referred to elsewhere in this issue, took place.

The Caledonia vs Jarvis Jr. hockey game on Wednesday evening resulted in a win for Caledonia. On the start off it looked very favorable for Jarvis, the score being 3-0 in Jarvis' favor. However, owing to the softness of the ice and other unforeseen and uncontrollable elements our team gradually lost ground until the termination of the game when the score was 8-5 in favor of Caledonia.

“I say, Moike, what do you mean by laughing at the wake of your friend Cassidy?”

Moike—“I met Cassidy last week and he was after saying he didn't believe in Heaven or Hell and here he is all dressed up and no place to go.”

A bunch of local sports (impossible to obtain names—all pleading, not guilty) under the command of I. W. Holterman strayed down into the Sandusk district on Monday afternoon with the full intention of cleaning up the Jack rabbits in that locality. Somebody however put a spoke in the wheel so that the slain did not number more than 26. Confidentially we have it that the hardware merchants in town disposed of enough shot to the Holterman outfit to kill all the Jack rabbits within a radius of 40 miles.

While we live, let's live in clover, For when we are dead, we're dead all over.

Moyees Harvey's Bengals motored to Waterford on Monday night where they put on an exhibition game which resulted in a score of 4-3 in Waterford's favor. Features of the game: Smith drew first blood by making good use of a pass from Harvey. Harris scored a lone rush doing some good stick handling. Underhill did some classy work in goal. Johnston and Duncan made a stone wall defence. Harris at centre played a star game. Mitchell backed checked like a fiend. Church, Smith and Smitherman had all the pep desirable.

Sympathetic Judge—“Have you ever been sentenced to imprisonment before?”

“No, your honor,” said the criminal, and he burst into tears.

Sympathetic Judge—“Well don't cry, my poor fellow, you're going to be now.”

Someone informs us that Messrs. Hodge, Ryder, Jones, Horn, Harris, Hyde and church made up the bunch that peppered the snow banks with shot on Monday in the Sandusk district

Dad—Do you know, young man, that when I was a boy I was never allowed out after 8 o'clock.

Son—Some father?

Dad—He was a better father than yours.

Until the city of character stands equal in height, breadth, and depth, and length, there is still room for improvement.
