LOCAL NEWS AND OTHER DOPE

They say. What say they? Let them say.

Mr. Frank Ross moved his household goods to Thorold on Saturday.

Mr. Charles Brock, former Editor of Record was in town over Sunday. Interviewed by a representative of the Record. Mr. Brock said that the graves by the station at Caledonia contain all the dead ones they have in that prosperous burg.

Jarvis won the protest in the Hagersville-Jarvis game. This means that the score of the last game played here stands now at 11-10—a draw. This will be played off by home and home games, goals to count.

Old dogs are in no hurry to bark. Bill Brennan can't wait until the baseball season rolls around—He's taken to hockey and did some star playing as centre on Monday night.

Recipe for having good neighbors—Be one.

The boys of the Village are arranging a baseball meeting for the early part of the week. Rumor has it that the married men will look downcast as old Jiggs when the "Rangers" get a whack at them on the local diamond.

It is a rule of criticism that whatever is very interesting is probably untrue, at least exaggerated.

In Japan the same styles have obtained for 2,500 years, which is one reason why Japan hasn't complained of the cost of living for 2,399 years.

Lady—"Isn't it tough when you have to pay 25 cents a pound for beefsteak?"

Tommy—"Yes, lady, but it's tougher when you only pay 20."

If you can't build up your business without knocking the other fellow, go out of business. After God had made the skunk He made the knoocow.

Jack Bayner, manager of the Norfolk hotel, Simcoe, was in town on Sunday.

Prisoner—"God may strike me dead, your honor, if I am not telling the truth."

Sympathetic Judge—"If God doesn't strike you dead, I'll give you six months."

A bigamist is a poor boob who imagines that he can manage more than one wife.

Abraham J. Krouse is holding an auction sale on 23rd inst. beginning at 1 o'clock sharp on Lot 22, Con. 6, Woodhouse, 2 miles west of town when some 20 cows fresh at time of sale will be sold.

There should be a chance for every man, woman and child, and then there would be a new heaven and a new earth wherein there would be right living.

Have you heard the gramophone at our ice cream parlor? It's sure a good one.

BABY CHICKS—It is cheaper and more satisfactory to buy ready hatched chicks. We guarantee safe delivery of vigorous, pure bred, husky chicks of all breeds. Write for free booklet and prices. **THE CANADIAN CHICK HATCHERY, Ltd., Dept. C. N., Hamilton, Ontario.**

Mother [To daughter going out on a stormy night to mail a letter]—Don't go out of this house tonight; It's not fit for a dog to be out; let your father go with the letter.

The Bishop—"My boy! Ragtime on the Sabbath? Don't you know the ten commandments? Mouth Organ Jim (after a pause for thought—"I can't just remember the toon, gov'nor, but if you'll whistle a few bars to give me a start, I'll have a shot at it.")

Local Pastor—(as he enters our office)—I am deeply interested in finding the lost tribes of Israel.

Mrs. Rodgers—(always looking for business)—"Why don't you advertise for them; our rates are reasonable."

Mrs. O'Flynn—"They do be talking, Mrs. Murphy, about the law of compensation."

Mrs. Murphy—"Yes, Mrs. O'Flynn, it's this way, nature always makes up in some way for our failures. For instance, haven't you noticed that when a man or woman has one short leg, the other leg is always longer."

One of our local pastors in a prayer delivered recently said: "O, Lord, keep me humble and keep me poor." One of the stewards of the church who was praying at the same time said: "O, Lord, you keep him humble and I'll keep him poor."

The trouble with this old world is that the rich are too rich and the poor too poor. However, we should be mighty thankful that there are some things divided up fairly well. Take the ice for instance, for six months in the year the rich have all the ice they want, and for the other six months the poor have all the ice they want.
