THIN, WATERY BLOOD MEANS ILL HEALTH

Rich, Red Blood Brings Bright Eyes and Rosy Cheeks.

The girl who returns home from school or from work thoroughly tired out will be fortunate if she escapes a physical breakdown...

In this condition Dr. Williams' Pink Pills will be found to have a beneficial action on the blood. Miss Delima Lafreniere, St. Ambrose, Man., has proved this in her own case...

Dr. Williams' Pink Pills can be obtained from any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

The Cedars of Lebanon.

The cedars loft from Lebanon, where deep in cleft and cranny For ages long their mighty roots have pierced the nether gloom...

The cedars lean from Lebanon, their boughs forever greening, Whether the mountain winds breathe low or shouts the streaming gale...

The cedars lift on Lebanon their boles that are as hoary As are the giant temple stones that Solomon built upon...

The cedars tower on Lebanon above the gaping valleys And through the wastes of centuries have ceased not to aspire...

The cedars now on Lebanon with dominant persistence Have held their lonely eerie though their kin were sacrificed...

Of 1,500,000 homes destroyed in Poland during the war, about 500,000 have been rebuilt. Certain soils in Russia, India, and Persia have always been eaten by the natives of these parts for their health-giving properties.

Decayed teeth, a sign of toothache, have been found in a skull thousands of years old, thus proving that this ailment is not a modern one due to civilization.

A "balanced diet" may sound confusing to many people. The facts, as explained here, are simple. The secret of a "balanced diet" is to have food containing all the elements needed for proper nutrition...

HEALTH EDUCATION BY DR. J. J. MIDDLETON

Dr. Middleton will be glad to answer questions on Public Health matters through this column. Address him at Spadina House, Spadina Crescent, Toronto.

Thousands of people in this city and province are at present living under abnormal conditions of life. This state of affairs is bad for the entire community and something must be done and done quickly...

After the house surgeon had examined him carefully, he said to the nurse: "A subcutaneous abrasion is not observable, I do not think there is any reason to apprehend a dangerous cicatrization of the wound."

His Sanity Established. A Philadelphia paper tells the story of two rival delegates at a political convention in one of the Western States who got into a serious personal dispute.

A mother writes to ask if condensed milk is as good as cow's milk for a child just under two years of age; also what diet should be used to correct constipation.

MONEY ORDERS. The safe way to send money by mail is by Dominion Express Money Order. The Smileless One. Curious it is that we always consider solemnity and the absence of all gay surprises and encounter of wits as essential to the idea of the future life...

Did She Call Again? An old lady who is very much of a bore paid a visit to a family of her acquaintance. She prolonged her stay, and finally said to one of the children: "I'm going away directly, Tommy, and I want you to go part of the way with me."

Cheshire Cheese. Cheshire cheese owes its excellence partly to geological causes, its immense salt deposits, of which the country is formed, producing a herbage peculiarly suited for cheese production.

Author of "Irish and Canadian Poems," recently published. The non-supervised dance hall at present is one of the greatest evils to be overcome. The newly formed Social Hygiene Council of Toronto is taking this matter as well as other matters of equal importance, in hand.

WATER HARD ON BABY

The winter season is a hard one on the baby. He is prone to have confined to stuffy, badly ventilated rooms. It is no other remedy than the mother does not get him out in the fresh air as often as she should.

Pat had got fast—not much more than a watch, it is true, but his employer had visions of being compelled to keep him for life, and had adopted the wise course of sending him to the hospital.

Everything had been done to make the great meeting a success. A large hall and a good speaker had been engaged. When the latter arrived he seemed in a crabby frame of mind. He beckoned the chairman.

"To drink?" was the chairman's idiotic question. "Oh, no," was the sarcastic reply; "when I've been speaking for half an hour I do a high dive."

BITS OF HUMOR FROM HERE & THERE

At Sea. A girl, crossing to England, got friendly with one of the ship's officers, a young man of twenty-five or so. The two were leaning side by side on the rail one day when the officer said: "There goes four bells. I must ask you to excuse me. It's my watch below."

Life and Death. A minister who guarded his morning study hour very carefully told the new maid that in no circumstances were callers to be admitted—except, of course, he added, in case of life and death.

A High Dive. Everything had been done to make the great meeting a success. A large hall and a good speaker had been engaged. When the latter arrived he seemed in a crabby frame of mind. He beckoned the chairman.
