St. Paul's Church Vestry Meeting

The Annual Vestry meeting of St. Paul's church was held on Monday evening last. About sixty members of the church attended the supper kindly provided by the W. A. About 8.30 the Rector called the meeting to order and opened the proceedings with prayer. The vestry clerk, Mr. J. S. Burwash, read the minutes of last meeting, which were confirmed. Reports were read from the officers of the W. A., the Junior Auxiliary, the Sunday School, the Cemetery and Trust Fund and the Treasurer, who pointed out that a deficit existed in the envelope collections which would only be removed when all the members of the congregation realized their duty to support the church to the utmost of their power. The Rector again appointed Mr. Arthur Hodgson as his Warden and Dr. Lewis was again elected People's Warden, a small committee being appointed by the vestry to assist in matters of finance. Mr. Pencock's name was added to the list of sidesmen and Dr. Colman and Mr. Ivan Holmes were again appointed auditors. The Rector read a brief report, after which a letter from the Bishop was considered, referring to the increase of clerical stipends voted by the Diocesan Synod. After discussion it was decided to appoint two members of the Vestry to represent the local conditions to his Lordship. The meeting closed with the benediction.

Autoists Encounter Huge Snow Drifts Over Mountains

According to a report in The Daily News, Cumberland, Maryland, the local motor party—Messrs. G. Miller, G. Stallwood, C. Smith and E. Jaques—on their way to Florida, and seven other motor parties, had some trying experiences endeavoring to travel over the National Pike through the heaviest snow fall in many years. After seven hours of motoring through snow drifts for a distance of 26 miles, the eight motor cars drove into Frostburg at 6 o'clock Saturday evening, the 14th inst. The cars left Addison, Pa., at 11 a.m., and after crossing the state line into Maryland, the drivers found that the snow plows had not yet cleared the road of snow. Thinking, however, that conditions would improve as they advanced, the party rushed eastward only to find larger drifts on each successive mountain top. The machines experienced their greatest difficulty gaining a passage way through the deep snow at Keyser's Ridge and Negro Mountain. Ropes were tied to the front of the machines and some of the men would pull while others pushed to assist the machines. Each car was helped in this way until the last one was through when all would move off together until another obstruction was reached when the same method would again be employed. They left Frostburg Monday morning after having their machines overhauled in a local garage.

Enters House Gets Away With Groceries

Port Dover Maple Leaf.—On Saturday of last week Mr. Ike Osborne made several purchases up-town and returned home only to find that he had overlooked something he was needing. Returning home after his second trip up-town he found to his amazement, that all of his former purchases had been pilfered together with other articles of value in the house. Owing to the short time which elapsed while Mr. Osborne was away from the house, it is quite evident that the person or persons must have been waiting such opportunity.

A feature of outstanding interest at the annual meeting of the congregation of the Baptist church, Ingersoll, was a thank offering of \$1,000 by George Smith in recognition of God's goodness in restoring his son, Percy L. Smith, to health after a long illness. The money will be devoted to improvements to church building.

PORT DOVER 13, JARVIS 8

The Jarvis hockey team journeyed to Port Dover on Monday night to play a Southern Counties league game with the team of that town and were beaten by a score of 13 to 8. Although Port Dover scored more goals than the locals, those who accompanied the team report that our boys put up a remarkably good game on the larger rink and kept the speedy Dover team hustling all the time. The play seemed closer than the score would indicate.

Jarvis plays their next game at Watford on Monday next.

Boer War Veteran's Body Brought Home for Burial

The remains of Roy McCall of Boston, a veteran of the Boer war, who had a narrow and thrilling escape at the battle of Hartz River, arrived here to-day for interment in the family plot at Victoria.
He was a son of the late D. McCall of Charlotteville. His mother and two sisters reside in Simcoe, and two brothers, Bruce and Grant of Toronto.
Mr. McCall received a medal with three bars for war service. He went overseas under Sergt. Kinsley of Jarvis, in the second Canadian Mounted Rifles, and on Easter Sunday, 31st March, 1902, with five others, was cut off from the main body at Hartz River. Three of the party fought their way out. W. S. McCall, the present proprietor of the Melbourne Hotel, Simcoe, was in the same troop, which was at the time reported to have been annihilated.—Simcoe Canadian.

Presented With Scholarship

Hagersville News—At the High School on Friday afternoon, Jan. 13th, Harold Ford was presented with the "Bruce Robertson Memorial Scholarship" as a reward for the past year. Mr. S. E. Lindsay gave an interesting address in which he explained the causes which led up to the recent great war and also the spirit of sacrifice shown by the Canadians. Miss McEachren, principal of the school, made the presentation. Messrs. E. Forsythe, R. D. Winger and R. Robertson, members of the school board, were also present and spoke briefly.

Children's Aid Society

The sixth annual meeting of the Haldimand County Children's Aid Society was held on Tuesday, the 17th inst., in the Town Hall, Dunnville, there being a representative attendance. The meeting was presided over by the president, Rev. Capt. A. G. Emmet. The customary reports of officers were presented, showing great activities during the past year in the assistance of neglected and dependent children of the County. The officers elected were:
Honorary Presidents, F. B. Lalor, ex-M.P., Warren Stringer, M.P.P., and Mark C. Senn, M.P.
President, Rev. Capt. A. G. Emmet, Vice President, Rev. J. M. Whitlaw, Secretary and Inspector, Chas. R. Bligar.
Treasurer, George P. Brown.
A resolution was unanimously passed requesting the Attorney General of Ontario for the institution of a juvenile court in the county. Mr. Amos Tovell of Guelph delivered a stirring address on child welfare work. Various speakers emphasized the great need of a children's shelter for the county, and assurance was given by the president and secretary of the County Women's Institute to the effect that the members of the Institute throughout the County were prepared to give united effort toward the shelter project.
It was gratifying to note that the interest in the work of the Children's Aid Society throughout the County is greatly increasing, and it is to be hoped, and confidently expected, that not in the far distant future Haldimand County can boast of a children's home.—Gazette

Good Intentions

I know not what my neighbors say as I pursue my plan, and undisturbed I go my way, and do the best I can. I know that no man is so wise, so virtuous or so grand, that he will not by carping guys be criticized and panned. And so I strive to do what's right, and care no whoop or hoot if what I do stirs up the spite of any cheap galeot. I used to worry when I heard how men had roasted me; my heart, by dire emotions stirred, was gloomy as could be; and I would sadly wonder why applause I could not gain from Joseph Jinks and Harry Spry, or Abner P. McLane. The years slid by as years will slide when they're not fastened down; age came, and I no longer tried to please the whole blamed town. Men's words no longer jarred my nerves, I said, "I know my worth; if other guys don't like my curves let them fall off the earth. If I do what is right and just, as down the world I go, it cuts no grass if I am cussed by all the states I know. Oh, my intentions are the best a man can pack around, and taunt and jeer and gibe and jest are only empty sound." I care not what my neighbors say about the thing; I do, as calmly I pursue my way, with righteousness in view.
—Walt Mason

Gradually is all the romance going out of country life. We almost shed tears to read the old home paper and find folks who used to go "vis'it'n' over Sunday" are spending "week-ends"—Schenectady Gazette.
