#### Barring Out Burglars From Bank of England.

If you would see the marvels of a modern strongroom you should pay a visit to the Bank of England, where, if you are fortunate, you will be shown the stronghold in which the "Old Lady of Threadneedle Street" guards her

As you stand in this room, surrounded by untold riches, you will be told that the door by which you entered is of steel so tough that no drill could more than scratch its surface; it is a foot in thickness, and weighs fourteen from the oldest to the youngest came;

Beneath your feet is water seven

ways guarded its treasures so secure-Many years ago, when the directors flattered themselves that their strong-room was absolutely impregnable, they received one day a dirty, ill-spelled note, which ran thus:

You think your bank is safe, but I know better. I've been inside these last two nites, and you know nuffin

As a matter of amused curiosity, two of the directors decided to keep the midnight tryst, and entered the vault just before the "witching hour."

the darkness, and they were soon lisheen frightened away before they man who had written the note of warn-He was, he explained, a sewerman.

While engaged on his work he accidentally discovered a way into the vault by the simple process of raising a square stone in its floor. It would have been the easiest thing to plunder the strong-room as much as he pleased. But he was an honest man. Needless to say, the directors were delighted by the man's honesty, and he returned happily to the sewer, with the premise of a life pension as his

Synopsis of Preceding Chapters.

Dr. Hardy, famous specialist, and his daughter Irene, meet with an accident while on a motoring trip in the foothills of Alberta and find a refuge in the cabin of the Elden ranch where dwell David and his dissolute father.

The girl and boy promise to meet bed with baggy spring and musty mattress. The ceiling, none too high at any part, sloped at the walls almost to the edges of the beds. One table and wash-basin held to serve for the eight lodgers; those who were impatient for their turn might omit their ablutions altogether or parform them

CHAPTER V.

Almost the first person he met was of superiority toward him, carrying the stranger who had schooled him in their conversations in a strange to gambling game the night before. He greeted Dave cordially; his voice in their common life. Dave's spirit, which had a lways been accustomed to had a soft, seductive, almost feminine quality which Dave had not noticed in their whispered conversation in the pool-room. There was something attractive about his personality, something which invited friendship and even confidence, and yet beneath these emotions Dave felt a sense of distrust, as though part of his nature rebelled against the acquaintanceship.

"That was the rottenest luck you had last night," the stranger was and last night," the stranger was allowed a last night, a stranger was allowed a last night, a last night night, a last night night, a last night ni
