A few months ago living expenses in Germany figured tenfold what they were before the war. They are now figured at a hundredfold.

Famous Pilots to Race **Around British Isles**

A despatch from London says:-The King has offered a cup for an airplane race around the British Isles to be held in September. The race has aroused intense enthusiasm among airplane manufacturers, and many of the most famous British racing pilots will compete. A special machine has been ordered by a duke, whose name has not been revealed. This has almost been completed at the London air

The race will start either at Hendon or Croydon and will take a course slightly inside that which the unfortunate Hawker followed in 1913 when, through the slipping of his foot from the rudder bar, the machine fell into the sea and he failed by a short dis- League of Indians, who reported on

In air tion, circles the race is regarded as the first step toward the establishment of fleets of private racing planes whose owners

New Soviet Law Regarding Baptism

A despatch from Moscow says: The baptizing of children will not be allowed in Russia in the future. The Supreme council of the church, which is under Soviet control, is elaborating a new church law dealing with baptism. In this the age of baptism is fixed at 18, and the consent of the person concerned must be obtained in writing and filed with the authorities.

Only two persons in Canada had incomes of more than one million dotlars during the last fiscal year, according to income tax returns. For the same year nineteen corporations paid income tax on incomes in excess of this sum. Altogether there were 194,257 persons paying income tax in the Dominion.
