In Memory of George Edward Smitherman

Dear George, we can hardly believe that you are gone. A thousand leagues beyond the sun. Or perhaps three ten thousand times as more.

To dwell with dear mother on Heaven's shore.

You were full of ambition and youthful life.

But now you've left this world of strife; Thy bright form was snatched from us so soon.

Like the morning flower you withered at noon.

We think with regret that you were called away.

To dwell in the land where there's endless day;

May Heaven assist us to do His will, But we long to have you with us still.

Oh happy youth, thou now can't tell, What pleasures with Thy Saviour dwell; What joys are with the saints in store, At God's right hand for ever more;

—Homer Tronsdale.

Still Crowded Out

We had expected to have been able to publish the public school report for January and February this week but cannot do so. It will positively appear in our next issue of March 22.

Acknowledgement

Received of the Secretary-Treasurer of the disbanded Plank Road Sunday School the sum of twelve dollars and five cents to be used for County and Provincial S.S. work. —Wm. Machell, County Secretary.

An Oversight

In giving the list of flowers contributed in memory of the late George Smitherman, in last week's issue, the following were omitted:—Mr. Walker and class, wreath; Methodist choir, wreath; Miss Cunningham, spray. We regret the omission of these names in the write-up.

Card of Thanks

Rev. Geo. Smitherman and family desire to express their deep appreciation for the kindness of all towards them in their recent bereavement. Words cannot define their feelings for the universal sympathy extended to them and they desire that their friends accept this intimation, as it is impossible to individually thank those who so faithfully stood by them in the hour of their trial.

The regular monthly meeting of the Women's Institute was held at the home of Mrs. J. Butcher, on March 8th. The attendance and members are increasing every month. Our meetings are opened by singing the Ode "A goodly thing it is to meet, in friendship's circle bright;" after which all join in repeating the Lord's Prayer.

Mrs. Jackson gave a very interesting and instructive paper on the care of house plants (rooting and cutting). Mrs. Guiler favored us with a reading on the ideas of a plain country woman.

The community singing from the leaflet is always a pleasing feature. Mrs. Guiler and Mrs. A. Miller favored us with a vocal duet. Mrs. Hoover being present played and sang a couple of selections, and from the sweetness of voice and gentleness of touch we realized that "age is opportunity no less than youth itself though in another dress."

An item of interest was the appointment of a committee for the purchase of a piano, in which they were successful, and the instrument will be placed in the room for the pleasure of the young people.
