The Farmers' Paper Every Other Day

The Farmers' Sun, which has been enlarged and improved, is now published EVERY OTHER DAY. This forward step was taken at the earnest request of Sun readers who wished a farm newspaper which would give a summary of world news, more frequent markets (for which The Sun is noted), together with a paper which is sympathetic to the farmers' viewpoint. All these are found in The Sun. No other farm paper equals The Farmers' Sun in the service it renders to its readers.

When you subscribe for a farm paper, subscribe for The Farmers' Sun, owned by the farmers, and published in their interests. The subscription price of the tri-weekly Sun is only \$2.00 per year, or three years for \$5.00. Why spend \$5.00 for a City Daily when you can get all you require through The Farmers' Sun for \$2.00 per year. Address all letters to The Farmers' Sun, Toronto.

that this matter be laid over until a future meeting.

On motion the committee adjourned.

(Signed), W. G. Clark, chairman.

Kohler of \$1000.00 for the purchase of lot on the southeast corner of the Court House grounds, being 200 feet on Echo street and 160 feet on Munsey street, be accepted, provided the conditions regarding buildings to be erected thereon and tree planting and other details are satisfactory to the building committee; and that upon the completion of negotiations respecting such purchase satisfactory to the committee, and upon its recommendation, the Warden is authorized to execute the conveyance of said lot to Mr. Kohler and the clerk is authorized to sign the same and attach the seal of this Corporation thereto. carried.
