Depend on the Condition of Your Hens

Only properly cared for Baby Chicks make healthy Hens. The first two weeks of a baby Chick's life is the most important period in the bird's existence.

**WODEHOUSE BABY CHICK FOOD**  
Is not only made from the finest ingredients but has also a medicinal value possessed by no other Chick Food. Your Chicks fed on WODEHOUSE for the first two weeks will be equal in weight to other birds three weeks old.

**WODEHOUSE CREAMEAL FOR CALVES**  
The only calf meal made containing milk powder. It is equally nutritious as cows milk. It is economical too, as the milk saved in feed can be used for other purposes. Many stockmen feed Creameal to piglets weaning. Pigs weaned on Creameal are not retarded in growth as with other foods.

This is the time of year when the feeding of **WODEHOUSE ANIMAL INVIGORATOR** is most beneficial to your livestock. Use ZENOLEUM for all disinfecting purposes. We sell Wodehouse lines because we believe they are the best on the market.

## Still After Bullock

That notorious organization of ruffians, lynchers, bigots and braggarts, the Klu Klux Klan announces that it will "get" Matthew Bullock, the negro who is wanted to serve as the chief figure of a "Nekkie party" at Norlina, North Carolina. One million members of the K. K. K. have, it is said, pledged themselves to bring him back to the South from Canada, and that within ninety days. Since such cattle as these can carry no weight with the Canadian courts and the Canadian Government, the announcement must mean that kidnapping is contemplated. Well, we shall see about that. Canada may have its faults, but toleration for the degenerate type of humanity which forms such organizations as the Ku Klux Klan is not one of them. Any emissaries who propose to come from the South with intent to bring Bullock back by resort to violence, had better bid their relatives a fond farewell. They are likely to remain in Canada with Bullock for an indefinite period. A little honest work on the stone pile might do some of them good.
