e held in the stock yards at Nelles Corners at 10 o'clock on the of Tuesday, May 2rd

The services of a repre the Dominion Dept. of Agriculture, have been secured for the purpose of monstrating the system of grading which will come into effect on June 1st, which will affect the prices obtained by producers after that date. This is a regular shipping day at these yards, and the hogs delivered for shipment will be graded in a similar manner as under the new system. The bacon hogs, of the type for which a premium will be paid under the new system, will be separated and the rest of the hogs graded into their proper classes and grades.

This demonstration is for the purpose of acquainting the producer, and all interested, with the new system of grading. Come and learn about the type of how that the market demands You cannot produce premium hogs unless you are familiar with the proper type. It will mean more money to you and you cannot afford to miss
