Railway News

Prescott.—On retiring on pension, after over 40 years in the service of the C.P.R., Edward Pumphrey was given a purse by his associates at Prescott.

Lindsay.—The park at the C.P.R. station was laid out a few years ago and is today a veritable bowser of beauty. Rare taste and originality has been displayed in its upkeep, and the many who have admired it express regret that Lindsay has not a few more parks of this nature.

Vancouver.—The Canadian Pacific Railway Company is calling for tenders for the superstructure of the new pier which the company is constructing here for the accommodation of its ocean liners. The foundation fill for the pier is already in place. The new work will give employment to several hundred men for approximately 12 months. This is the largest work undertaken in several years in Vancouver by the Canadian Pacific Railway. The pier will be 850 feet long and 320 feet wide and its estimated cost is about \$2,000,000. It is proposed to have it completed by September 30, 1923. Tenders are to be in by July 17.

Port William.—One of the finest memories of the recent visit to the head of the lakes and "rict points" of His Excellency the Governor General of Canada, Lord Byng of Vimy, and Lady Byng, is possessed by A. A. Smith, trainmaster, Canadian Pacific Railway, in the form of a gold and enamel scarf pin presented to him by the Governor General. The gift is a token of appreciation of the splendid arrangements made by him for the comfort of the Governor General's party during their railroad journey from Port William to Kenora.

Montreal.—Mr. Alfred Price, General Manager, Eastern Lines, Canadian Pacific Railway, after over forty years of faithful and most efficient service, upon the advice of his physicians, and to the great regret of all, finds it necessary to relinquish his duties for an indefinite period. Mr. Price has, therefore, been granted extended leave of absence.

Mr. John J. Scully is appointed General Manager, Eastern Lines.

Mr. George Hodge is appointed Assistant General Manager, Eastern Lines.

Mr. W. M. Neal is appointed General Superintendent, Algoma District, succeeding Mr. Scully.

Galt.—Work is now being started on the construction of the new depot of the Lake Erie & Northern and Grand River railways on upper Main street.

The new station will be 35 feet wide and 75 feet long and will run parallel with the railway tracks. The foundation will be of concrete laid on the piles, while the building will be constructed of rug brick with stone trimmings. The roof will be of slate.

The waiting room will be in the centre of the building, with a ticket office looking out upon the railway tracks. The baggage room and office will be located at the north end and a smoking room and lavatory accommodation at the south end. The best of materials will be used and all the modern ideas in station construction have been incorporated in the plans.

Chatham, Ont.—Saturday night officer Sinnott was patrolling LaSalle Street near the C.P.R. crossing when he noticed a number of children running out to the track to view trains passing. The children were getting a little close to the tracks, and Sinnott took their names and spoke to one of the parents, George Hardey, and advised him to keep his offspring away from the tracks.

Hardey didn't like this interference on the part of the officer and it is alleged that he proceeded to tell him so in language which is not used in the best of circles. It is also said that the enraged parent took off his coat and wanted to fight. An informant has been laid against him and he will explain his action in the police court.

Fort William.—A. F. Hawkins, superintendent of terminals, Canadian Pacific Railway, received framed and autographed photographs of Lord and Lady Byng, as souvenirs of what they characterized as a very pleasant day spent at Savanne, a point a short distance west upon the Canadian Pacific Railway. A letter, written Superintendent Hawkins, read as follows: "Their excellencies, the governor-general and Lady Byng, of Vimy, desire to express to you their warmest thanks for all the arrangements you made for their comfort and recreation at Savanne last Sunday. They had a most enjoyable trip on the lake, in the motor boat provided, and feel greatly benefited by the rest which they feel was largely due to your trouble. Everyone on the train is very grateful to you for what you have done. Their excellencies hope you will accept the photographs of themselves, which accompany this letter as a souvenir of what was to them a very pleasant day." (Signed)—P. K. Hodgson, major.

A Deserved Diploma-- Certificate of Health

Miss M. lived in the Ottawa Valley, not far from the capital, with her mother and young sister. Work seemed the natural thing when she left school, and accordingly she started out to get what she could for her services. Progress was not fast, but at least she did not stand still, and her earnings were always increasing. With such prospects it seemed that her little sister could get the chance that she had been denied—a University education. The baby of the family, almost a year old, and this year, her Bachelor of Arts, and this year, her Bachelor of Science, and this year, her Bachelor of Medicine. But here where the sadness comes in. The elder sister, broken down by overwork, is no longer able to assist. She is a patient at the Muskoka Hospital for Consumptives, but it is hoped that she too will shortly graduate—with "A Certificate of Good Health."

Seventeen thousand patients have been cared for by the National Sanatorium Association in its hospitals in Muskoka and at Weston. Half of them have been restored to health and happy homes. You can share in this great work if you will. Contributions may be sent to W. A. Charlton, 225 College Street, Toronto.

THINK OF IT! The Jolly old fellow himself. Oh say! Don't you wish it were Saturday to-morrow? Won't it be great to see him again? And thing of his bringing these other funny fellows with him too. We have all read about them in our books at home, but just imagine seeing them come to life and walk and dance before our very eyes. You must not miss this great day in Simcoe on any account. More fun than a circus parade. We have engaged a band to accompany Santa on his parade around town and we hope every one of his admirers will turn out and show him we still consider him the best and jolliest fellow we know off.
