Metal frames have been designed to hold asparagus or macaroni together while cooking and enable them to be served neatly and without breaking. For years I have never considered my

For years I have never considered my stock of household remedies complete unless a bottle of "maxd's Liniment was included. For burns, bruises, spraims frostbites or chiliblains it excels, and I know of no better remedy for a severe cold in the head, or that will give more immediate relief, than to inhale from the bottle through the nasal organ.

And as to my supply of veterinary remedies it is essential, as it has in very many instances proven its value. A recent experience in reclaiming what was supposed to be a lost section of a valuable cow's udder has again demonstrated its great worth, and prompts me to recommend it in the highest terms to all who have a herd of cows, large or small, I think I am safe in saying among all the patent medicines there is none that covers as large a field of usefulness as does "maxd's Ethimset." A real trueism—good for man or beast. -good for man or beast. CHAS. K. ROBBINS.
