Always keep BOVRIL in the House

Boors prevents that Sinking Feeling.

The Gift Of The Gods

BY PEARL FOLEY. (Copyright.)

"Lun is one side and I'm the other. The rest are make-believes. We saw them playing the game yesterday at the Americans' on the oposite hill. They call it baseball."

"Indeed? And you like the Christian game?"

"I like the foreign game," corrected the girl, a teasing reprimand in her voice. She had dropped her bat, and

the girl, a teasing reprimand in her the mandarin's eyes nor the norror in voice. She had dropped her bat, and her nurse's fascinated gaze touched giving intimate study to the Genus man was seated. Sinking into a grace-ful attitude at his feet, she looked up at him with wide and seed up a breethless keep at Warn Turkered, at him with wide serious eyes.

"Uncle Weng, why do you hate the foreigners? The American girls on the opposite hill are so pretty. They laugh and run and dance. Yesterday coaxed Lun to stand and watch them."

"and coaxed on and on units she nuttered, a breathless heap, at Weng Toy's feet. It was only then the enormity of her offence rushed over her. Clasping her hands she dropped her head lower and lower until her forehead touched the mossy ground. A quiver shook her as I coaxed Lun to stand and watch them, and one girl came up and asked us in."

"Did you go?" There was an easily detected anxiety in the man's voice.

"Did you go?" There was an easily a spell on her while she gazed at the foreigners at play. "No, no, of course not, without your "Raise your head, Autumn Glad-permission; but if they ask me in to-ness. Do you not trust your Uncle

day, may I?"
The girl's voice was wistful. The girl's voice was wistful.

Weng Toy looked down at the eager young face. Placing his hand under her chin, he questioned, "Are you wide and questioning. "You think it uncle's company, little Tu Hee?"

A quick. Drotesting shake was the "Youth mimics youth. Fret not consequence of the proportion of the proportion of a coat, the shawl, of necessity, was an important article of dress.

Of the many varieties of these where the proportion of rubies or their weight in gold, however, are they valued by those in whom that youth and happiness cannot be curbed? Why that torian grandmothers, when hoopskirts when hoopskirts when hoopskirts and their price of a coat, the shawl, of necessity, was an important article of dress.

Of the many varieties of these will be come almost a lost one, and their price of a coat, the shawl, of necessity, was an important article of dress.

Of the many varieties of these will be come almost a lost one, and their price of a coat, the shawl, of necessity, was an important article of dress.

these girls, Uncle Weng, they look as strange rapture that for a few mohappy as I. It is true they are perhaps a little boisterous, but when I ality. She had no longer been the laugh and see them run ality. She had no longer been the and jump, little quivery thrills run all through me and I want to do the same. I could, too," she exclaimed, springing nimbly to her feet. "Poor ed—nay, perverted—into a hated for-springing nimbly to her feet. "Poor ed—nay, perverted—into a hated for-springing nimbly to her feet."

One or both of these lovely products more than a mere garment to be worn and discarded at will. It is a symbol. Romance clings to it. Love, tragedy, brief moments she had been transport-to-springing nimbly to her feet. "Poor ed—nay, perverted—into a hated for-springing nimbly to her feet."

the teeth and keep

them healthy.

"It's ripping fun, Uncle Weng."
The words trilled out gaily, and the girl paused in the act of batting an oncoming ball. "That's a foul, Lun. Try again." Her bat was poised easily and this time met the ball squarely, sending it in a straight, clean spin far into a distant thicket. "My word, Betty, that's a home run for you."
Weng Toy looked about puzzled. "Where are the other players, Autumn Gladness? Did my approach "ears and down the long, shining braids. Then, bending over the pool, the watery mirror. Clasping her hands on the back of her head she and smiled up at the white puffs sailing so airly across the blue of the sky. Then, spreading her arms like self to the joy of mere living. Her small, satin-shod feet gleamed in and out among the flower beds. Her heart

"I suppose." But Lun fancied the tone of her mistress lacked decision. "Missee Tu Hee marry rich man quaint and coy indeed must have been darin—have sons and happy right the fair Scotch lassie so robed on her here in China. No go away or do like foreigners to make happy, eh?"
"Lun!" Tu Hee grasped the woman's hand. Her eyes were wide, and

"No, no." Lun was soundly frightened at her indiscretion, and hastened to reassure her mistress. "Only Lun say so. It not be if Missee Tu Hee say no. Course not." Lun patted the little hand she held, and her voice was years ago when the vogue for shawls

interest her.

There stood the old man in his customary corner dishing up ears of boiled green corn. A little farther along, surrounded by a group of children, was the candy man, delighting them by his deftness in turning out animals and birds, which formed mysteriously as he blew taffy from a straw.

An old beggar, ragged and dirty, An old beggar, ragged and dirty, prostrated himself as he saw the oncoming rickshaw, and Tu Hee tossed him a few cash as they sped past.

"We shall pass the Americans," I wonder if they will stop us to-day,"
Tu Hee mused aloud, but there was an eager thrill in her voice.
