New Teacher Is Hired for Jarvis

Miss Isabelle Redall, of Fergus, has been engaged by the Jarvis school board to succeed Miss Jessi Sutherland as teacher of the continuation school here.

That is the only change that will be made in the staff of the local school. Ernest Walker, Miss Lennie Allen and Miss Vera Lockhart will return for another year.

Miss Redall has had two years experience in continuation work. She has taught in Florence.

LOCAL BOY WINS GARDEN HONORS

Jack Grainger is Among Winners in Department of Agriculture Contest: Two Other Walpole Children Are High in Event.

Jack Grainger, son of Tom Grainger, of Jarvis is the winner of one of the prizes in the home garden conducted by the Haldimand branch of the Ontario department of agriculture.

Other prizes were won in Walpole by Elsie Lindsay, who took second in the Western division and Milford Winger, who came third.

The results in the Western division are as follows, with the names appearing in the order of merit: Margaret Smelser, S. S. No. 5, Oneida; Elsie Lindsay, S. S. No. 3 Walpole; Milford Winger, S. S. No. 14, Walpole; Leslie Graham, S. S. No. 3 Oneida; Jack Grainger, S. S. No. 10, Jarvis.

In the Eastern division the results were as follows: Orpha Noble, S. S. No. 4, North Cayuga; Violet Featherstone, S. S. No. 8, Rainham; Ross Emmerson, S. S. No. 13, Seneca; Stanley Fry, S. S. No. 5, Sherbrooke; Earl Dickout, S. S. No. 5, Sherbrooke.

In the contest a special package of seed, prepared by the department of agriculture, was supplied each contestant. The package contained seeds of 18 kinds of vegetables and in sufficient quantities to plant a garden large enough to supply a family of six people. The seed was planted by the boy or girl in the home garden and under the direction of the department. The gardens were judged during the midsummer.

During the judging this year some exceptionally good gardens were seen. In all cases the parents spoke highly of the work and especially of the high quality of the seeds supplied. It is expected the contest will be put on again next year.

VARENCY, JARVIS PLAY TIE GAME

One of the best ball games of the season was played on the local diamond Saturday evening between Varency and Jarvis and ended in a one to one score.

It was a pitchers' battle from the start with Wagner in the box for the local team and C. Walker for Varency. Walker was given the best support but Jarvis was able to hold its own. The only run scored by Varency was in a hitless innings.

Two double plays were features of the game, one by Jarvis and the other by Varency. In the last innings Burwash caught Walker's fly off first and Wagner covered first and McKenzie who had made a hit was caught at first.

Inson, playing first for Varency, pulled an unassisted double in the third innings when he caught Wagner's fly and caught Smitherman off first.

A high fly, that looked like extra bases, caught by Duncan in left field, was another feature of the game. H. Meill made the only clout for an extra base when he slugged a long one that went for a three bagger and was responsible for the one run that Jarvis scored.

Jarvis appeared to have a chance of bringing in the winning run in the last innings but it was lost when Duncan was caught on first by the old school-boy trick of the hidden ball.

The score follows:

SELKIRK MAN LOSES IN SIMCOE LAW SUIT

A claim that he did not receive the goods proved unsuccessful in a case brought by Martin and Sons of Chatham against Hosack's garage of Selkirk tried recently in Simcoe before Judge Boles.

The plaintiff sued to recover for 12 oil gauges ordered by the defendant at the Simcoe fall fair last year. A written order was signed and the shipment was made by express to Nelles Corners, the nearest express office. The express agent was called to show the defendant had been sent the usual notice. At the conclusion of the testimony the judge reserved judgment and afterwards delivered judgment for the plaintiffs for the full amount claimed with costs.

W. E. Kelly, K. C. appeared for the plaintiffs and S. E. Lindsay for the defendant.

Commission Estimates Cost to Jarvis Will be \$10,500; Property Owners Likely Will Be Given Opportunity To Vote On Scheme.

The installation of hydro for lighting and power in Jarvis will cost in the neighborhood of \$10,500.

That is the estimate received from the Ontario Hydro Electric commission this week. The commission's engineers estimate the cost at \$10,366.96 and advise the submission of a by-law for \$10,500.

The estimates will be considered at a meeting of the council on Tuesday night and it is expected the by-law will be prepared and given the first and second reading at that time. It will have to be advertised three weeks and voted on before it can be read the third time.

So far there has been no objection to the by-law expressed. Only property owners will be able to vote on the matter, and the cost will affect only those who use the power. Debentures to cover the cost of the installation will be sold if the people vote in favor of the proposition but a rate for the electricity will be charged by the village sufficient to retire the debentures as they come due and also to pay the interest on them and take care of maintenance expense.

The estimate of the commission provides for 80 lighting consumers, two power consumers and 37 street lights. More power can be obtained at any time, however.

The power will be brought from Hagersville but the commission will pay the cost of it delivered to the city limits.

The only change where the power will affect the general tax payer who is a non-user in power is in the cost of lighting the streets and it is claimed those lights will be cheaper with electricity than with gas and besides they will be lighted.

Before the question is voted on a public meeting will be held when a representative of the commission will be here to explain the proposition in detail. He will answer all questions regarding the matter and explain the cost and all other things in connection with it.

TEMPERANCE HALL STILL UNCHANGED

A few weeks ago rumor had it that the village council intended to improve Temperance hall but now it seems forgotten now.

The council discussed the matter and each member expressed the opinion that something should be done to cover up an eyesore in the village but so far it has all ended just there.

The councillors agreed the building should be painted inside and out, a new floor and new windows put in but they stopped before they took the necessary steps to have the work done.

JARVIS MEN HIGH AT PORT DOVER SHOOT

Three Jarvis men broke 50 out of 50 at the annual trapshooting tourney in Port Dover Tuesday.

They were W. Hodge, E. T. Carter and Dr. I. J. Leatherdale. The scores include handicaps allowed but the Jarvis boys were all given low handicaps. In actual birds broken William Hodge was high gun for the day.

In the 25 bird handicap W. Hodge broke 22 and E. T. Carter 25.

ROCKFORD GARDEN PARTY

A big crowd attended the garden party held by the Ladies' Aid of the Rockford Methodist church Wednesday evening on the lawn of George Wymer, a mile south of the church.

Bob Wilson, a Toronto comedian, delighted the audience as did Miss Jean Haig, soprano, of Toronto and Miss Grace Bonnick, a pianist with monologues. Kenneth Ewing, violinist, also was much appreciated. The Hagersville band furnished music during the evening.
