MISS ETHEL PILL IN AUTO CRASH

Falls Under Car When Buggy Is Hit in Simcoe on Saturday Night

Miss Ethel Pill, who lives west of the village, narrowly escaped serious injury Saturday night in Simcoe when a buggy she was driving was struck from behind by an automobile driven by Lloyd Kitchen, of the Royal Bank, Scotland.

A wheel was torn off the buggy and Miss Pill, with Charles Misner, of Renton, and Mrs. Hugh Newell, a neighbor of Miss Pill's, were thrown out. Miss Pill fell under the automobile, but it stopped before it passed over her. No person was injured.

The accident happened opposite the high school in Simcoe. Mr. Kitchen was unable to see the buggy ahead of him because of the rain which blurred the windshield. When the accident happened the horse jumped and broke the harness. It ran away and was found on the Lyndale farm and put in the barn until the next morning, although it was the next day before Miss Pill or her father found it.

Mr. Misner was the victim of an accident earlier in the day. With Mrs. Misner he drove his automobile to Simcoe. Another car struck it and damaged it to such an extent that he had to leave it. Mrs. Misner obtained a ride home in another car and he had started to walk home, a distance of about six miles, when Miss Pill saw him and gave him a ride.

Bruce Hare and Mr. Pill went to the scene of the accident and took the victims to their homes.

MILLER BROTHERS ARE IN NEW BUILDING

Miller Brothers have moved into their new store on the first floor of the Music hall.

New fixtures, especially on the grocery side, add much to the attractiveness of the new store. Everything is in clean, sanitary bins and is convenient, so that customers may be waited on with as little delay as possible.

Although the new store is not what it will be in a few more days, it even now shows a splendid effort to give service to the people and to display goods in an attractive manner.

Frank Saunders has opened his store in the building formerly occupied by Miller Brothers. He has done considerable painting and fixing to the building.

Miss Ionson Stays on Top in Record Contest

The Record's subscription contest has developed into a real race.

It is so close now that there is no indication of the winner. Miss Doris Ionson is still in the lead, but the lead has been again reduced by Miss Zelma Rodgers until now it is only 40. The positions of all the candidates remain the same as last week.

Since a date has been put on the ballots some subscribers from a distance have been unable to use their coupons to aid their favorite candidates. Such coupons will be counted provided they are mailed before the expiration date. They should be mailed direct to The Record so that the

HEAVY RAINS CARRY TWO BRIDGES AWAY

The heavy rains on Wednesday and Thursday, weakened the temporary bridge over the McKenzie Creek, a short distance south of Caledonia, and carried away the temporary bridge over the Boston Creek which is one mile further south. This will necessitate a new temporary structure and it will take a few days to get this in shape so that traffic will not be able to cross.

Both structures were temporary ones, erected to care for traffic while concrete bridges were being built. The road is completely closed to traffic.

The Cayuga bridge is also being closely examined by the resident engineer, who advises heavy trucks to keep off it for a few days.

WALPOLE COMMUNITY CLUB HOLDS SUCCESSFUL MEETING

The Community Club, Walpole, held a successful meeting on Friday, December 7, when the members of Knox church Young Peoples Guild visited them and provided the program for the evening.

In spite of unfavorable weather there was a large attendance at the meeting. The program which consisted of songs, recitations, readings and duets, vocal and instrumental, was very much appreciated by all present.

Following the program, the visitors were entertained by the club at luncheon, and a very enjoyable social hour was spent by all present.

The following program was presented:

To Try Buffalo

A joint of buffalo for the Canadian Christmas dinner may soon become as typical of the feast as turkey and roast beef have been for so long. A large number of surplus animals from the Dominion reserve in Alberta are now being slaughtered for the Canadian market, and as soon as meat is available it will be placed on the menus of all Canadian Pacific dining cars and hotels. The test to which the buffalo meat will thus be put will definitely decide whether the herds can be commercialized or whether the sentiment alone justifies their preservation.

LITTLE INTEREST IN VILLAGE VOTE

George L. Miller May Not Be Able to Accept Office if Reeve Again

December 31 will be nomination day for the village council and the election, if there is one, will be a week later.

But so far as interest is concerned, nomination day and election day might as well be a year away. No person seems to want the job of running the affairs of the village. George L. Miller can, without doubt, be reeve again if his health will permit. But there is some question if he will want to assume the duties after being ill for so long. None of the present council seem to want the job, nor are they anxious to keep the jobs they have. It seems certain that they will not stand an election to be put at the head of affairs again.

Some people think a commission to handle the affairs of hydro will be necessary, but that is not the case. The council will handle that. Before a commission is elected to attend to it such action must be approved by the people in a by-law. The greater part of the work in connection with the administration of hydro will likely be done by a man engaged by the council for that purpose.

The school board may also have to hunt for members. The annual school meeting is on the last Wednesday of the year. E. T. Carter says he is going to quit. He has served eight years and thinks he has done his share. The present members of the board are: E. T. Carter, Thomas Guiler, William Simpson, Richard Mason, James Hallett and William Jacques. The members of the council are: George L. Miller, Reeve; Ivan W. Holmes, Richard Shaver, John Wadhian and N. E. Poole.

ARTHUR SMUCK OF SPRINGVALE DIES

Arthur Smuck, 24 years old, son of Mr. and Mrs. E. Smuck, who moved about a year ago from Hagersville to Springvale, died Sunday evening and was buried Wednesday afternoon.

Besides his parents he leaves four sisters, Mrs. Charles Mattice and Mrs. Edgar Bradford, of Chicago; Mrs. A. Mikkelsen, of Madison, Wis., and Miss Dorothy Smuck, at home, and one brother, Arlie, of Detroit. They all attended the funeral. Others from a distance who were at the funeral were from Toronto, Hamilton and Delhi.

ERIE

While Alfred Webb was recently returning from Hagersville, near the Indian line, his horses suddenly became frightened at a flying piece of paper on the road. One of them suddenly jumped sideways just in front of a passing car driven by George Cowan, Hagersville. The car struck the horse breaking its hind leg and disabling it so that it could not be taken home and had to be shot. The car had some minor damages. Accidents like this happen when no one is to blame except the careless who leave papers flying on a public highway. If the public would only exercise a little carefulness in this respect, it might prevent more serious accidents than this.

The school here reopened Monday after being closed two weeks on account of scarlet fever in the section. Those families in the section with the disease are reported doing very nicely.

The school Christmas tree has been withdrawn, but the Community club is sparing no efforts to make theirs a real old-fashioned success on Friday evening, December 21. Everybody welcome.

The W. M. S. meets on Thursday of this week at the home of Mrs. Caldwell Easton. A large turnout is expected as members for the Messenger are to be taken.

George Easton is out again after his recent illness.

NEW BARBER SHOP

I have opened a modern, sanitary barber shop first class south of the Bank of Hamilton. I will appreciate a share of your patronage.
