GUELPH SPEAKER TELLS WHAT COMMUNITY NEEDS

Professor McLaren, of O. A. C. Speaks at Meeting of New Club at Erie

Mr. Alexander McLaren, of the Guelph Agricultural College, gave an inspiring talk to the Community Club on Tuesday evening on Community Building.

In brief the speaker stated that the task of the Community Club was the building of a community which would supply the fundamental satisfactions of human life. These satisfactions he placed under seven headings: Health, Wealth, Knowledge, Sociability, Recreation, Beauty, Rightness. He went on to show how the optimum satisfaction in each line was dependent upon community organization and action. He complimented the community on having an organization like the Community Club which could help solve so many of the problems of community life.

Three principles were set for as the basis of success in the community work. First, that it must be done on a community basis with the elimination of all factors that tend to divide the community, such as denominationalism, politics, etc. The second was a study of the conditions in the community, the problems that were to be solved and how they had been solved in other places; and the third, was special organization to meet the problems as they developed out of discussion, debates, etc.

One problem which was particularly emphasized was the need for some initial place for recreation, social gatherings, lectures and discussion. Prof. McLaren drew attention to a great exodus of young people from the farm to the cities and stated that it had come to the point when it was actually of harm to the country. The country districts were falling in population, whilst the cities were increasing.

How could people be kept on the farm, only when some attempt was made to satisfy the craving which the farmers shared in common with everyone else. If nothing is done to satisfy the legitimate longing of people the result will be that those now on the farms will inevitably go off them and others who are satisfied with a lower plane of living will take their place, thus producing a peasant class in Canada similar to those on the continent.

"Community clubs, such as this one, which could discuss the problems that arise under the above mentioned heads, would go a long way to solve the question," he said.

At the conclusion of the address, a hearty vote of thanks was accorded to the speaker, on the motion of Rev. W. T. Brown and Mr. Frank Laidlaw. President Murray Biggar occupied the chair and a program consisting of the following items was rendered: Instrumental, Mr. W. and Miss Clarke; Reading, Harold Porter; Duet, Rev. and Mrs. Brown.

After the program a luncheon was served by the ladies. The club plans to have two meetings in December, the one around Christmas to take the form of a community Christmas tree, and a committee consisting of Mrs. Davis, Mrs. Leslie Keene, Mrs. Caldwell Easton, Messrs. F. Falls, O. Easton and W. Clarke, have the matter in hand.

CONCERT ATTRACTS CROWD

The concert and dance given Monday night in the Arena by the Ben Hester orchestra attracted a large crowd. The concert program consisted of various vocal and instrumental selections which were appreciated.

SPECIAL SERVICES AT KNOX CHURCH

Armistice Day was fittingly observed in Knox church at the Sunday morning service. In conjunction with all the other churches in the Dominion the congregation stood with bowed heads for one minute at the opening of the service.

The theme of the sermon was appropriate. Speaking from Isaiah 52.7, the pastor took for his subject "The Peace the World Needs." After pointing out the futility of man-made peace, he went on to say that what both individuals and nations need today is the peace of God. If men were at peace with God there would be no doubt but that they would also be at peace with their fellows.

Thanksgiving Sunday was observed at the evening service.

BANQUET HELD FOR VETERANS

Jarvis Pastor Is Speaker at Event in Simcoe for Norfolk Overseas Men

Thanksgiving Day will long be remembered by the Great War Veterans of Norfolk county, for on the evening of that day they were the guests of the Sergeants Mess, First Norfolk Rifles, and the citizens of Simcoe, at a banquet held in the Simcoe armories.

A cordial invitation having been given to the Jarvis Veterans to join with their comrades of Norfolk county several overseas men motored over and took part in the proceedings.

The armories presented a pleasing sight with splendidly decorated tables and walls. More than 400 Veterans registered at the G. W. V. A. headquarters and were present at the banquet, parties coming from Port Dover, Port Ryerse, Delhi, Port Rowan and Jarvis.

Punctually at 6:45 p.m. the bugler blew the "fall in," and all the Veterans then present marched through the town headed by the band of the First Norfolk Rifles. Arriving at the armories at 7:15 they were seated and enjoyed a sumptuous dinner, which was served by the local ladies.

Following the dinner there was a concert program interspersed with speeches from Colonel Pratt, Judge Bawes, Senator McCall, Alex Wallace, M.P., and Rev. W. T. Brown, of Jarvis.

After toasts to "The King" and "Our Fallen Comrades" had been fittingly honored, the chairman, Col. A. A. Winter, conveyed to the meeting a message from Hon. J. S. Martin, M.P.P., regretting his inability to attend owing to a prior engagement, and expressing his willingness at all times to help in any way whatsoever the cause of the returned men.

Colonel Pratt, late C.O. 133 Battalion, then addressed the gathering. He expressed his delight at once more being amongst his boys and renewing old friendships so firmly cemented together overseas. He was glad to see that the men had re-established themselves so well and that so many of them were being honored by their native town of Simcoe. Speaking on the situation abroad, the Colonel, as did most of the other speakers, expressed his sympathy with the French people in their endeavor to make Germany pay her just debts. He was sorry that a well known Englishman (Continued on Page 8)

The accident occurred on the farm of J. Ryder, near Rattlesnake Falls, where Tommy and a number of companions had gone to shoot rabbits. The party had stopped to rest and the gun went off when the Bernister lad dropped it to the ground. The doctor and the lad's father were notified and the boy rushed home, where most of the shot was removed from the wounds.

BURGLAR ROBS JARVIS STORE

Outfit of Clothing Is Stolen From Millar Brothers' By Robber

About \$130 worth of men's clothing was stolen Wednesday night when Miller Brothers' store was entered.

Entrance was gained by taking the glass out of the rear window and breaking through a door between the storeroom and the main store.

The burglar took a whole outfit from caps to shoes, including an overcoat, a suit of clothes, two suits of underwear, shirts, a collar and tie, gloves, two pairs of garters, two caps, rubbers and socks. The only clue left was a rain coat with a name stamped on the collar.

The robbery was discovered at 8 o'clock in the morning and Constable R. A. McCarter was notified. Within two hours two provincial officers were on the scene. One of them returned the next day.

Rumors are still being investigated and the officers expect they will find the burglar and recover the clothing. It is thought that the robbery was the work of the same man who entered the store two years ago and stole a quantity of clothing.
