BANQUET HELD

(Continued from Page 1)

High politician had seen fit lately to tour the United States and this country as a representative of the Hearst papers and to express the opinion that Great Britain thought that Germany should not be forced to pay her debts. When one knew and had seen what France suffered why he felt sure they would uphold her in her effort to make Germany pay.

Judge Bowes, representing the Norfolk Memorial Committee, then outlined the plans for the Great War Memorial to be erected at Simcoe. It was to take the form of a tower 60 feet high, built of Georgetown stone, trimmed with Indiana cut-stone, with a clock and a carillon of 23 bells, electrically operated. The tower is to be erected in Linwood park about 200 feet east of Norfolk street and is to face the west, while on the south side are to be tablets on which will be engraved the names of the 200 men from the county who made the supreme sacrifice overseas.

The architect was Mr. Sproke, of Toronto, and the cost, approximately \$26,000, of which \$16,000 had already been raised. Judge Bowes explained some of the difficulties the committee had to contend with and appealed to those present to help to see the thing through.

On being called upon to speak, Senator McCall referred briefly to the dark days of the war, and then in eloquent words told of what France had done, and spoke of the debt the allies all owed to her. Had France once faltered, then the cause would have been lost; he desired to go on record as supporting the policy of France.

Alex Wallace, Esq., M.P., then addressed the audience and paid a tribute to the splendid work done by the local G.W.V.A. in helping to re-establish all the returned men. He outlined the work of the previous committees and stated his willingness to help in any way, any legitimate case that came before his notice.

Rev. W. T. Brown spoke briefly. He thanked the Simcoe Veterans on behalf of the Jarvis Veterans, for their kind invitation to be present that evening. It exemplified that splendid spirit of comradeship that was such a marked feature overseas. He mentioned two of the things the war had taught him, to look with toleration upon the failings of his fellow men, knowing that even in the worst of men there was some redeeming feature. He instanced the spirit of unselfishness displayed by all sorts and conditions of men overseas, and urged the Veterans to let it be displayed at home. The war had taught him too, to love as he had never done before, the grand old Empire of which Canada forms a part.

At the conclusion of Rev. Mr. Brown's speech, Colonel Winters called for three cheers for the Jarvis visitors, which were given with a hearty good will.

After the concert was over the Veterans held a dance.

The following represented Jarvis and district at the banquet; Murray Biggar, William Laidlaw, C. Powell, R. Ion, J. Norman, J. Dellar and Rev. W. T. Brown.

Personal Notes

(Continued from Page 1)

Dr. and Mrs. Newell, of Hamilton, were in the village Monday.

Humphries, of Guelph; G. G. Bourne and son, Barrie, of Grimshy; Miss Bourne and G. Bristow, of Toronto; and C. E. Bourne, Miss Carrie Bourne, A. Fallis and Miss Margaret Fallis, of Jarvis, spent Thanksgiving with Mr. and Mrs. W. J. Fallis.

ALBERTA BUTTER OUTPUT

More than 18,000,000 pounds of creamery butter is the estimated production for the Province of Alberta during 1923, according to statistics obtained by C. P. Marker, Dairy Commissioner for Alberta, in showing the remarkable increase in dairy work since 1900. In 1912 there were 53 creameries in operation in the province and the produced 3,010,755 pounds of butter, valued at \$823,500, with an average selling value of 27.35 cents per pound. In 1923, 54 creameries were operating to produce 15,417,070 pounds of butter with a selling value of 33.25 cents per pound, with a total value of \$5,126,843. Mr. Marker's figures for 1923 show the output to have grown in volume five times the 1912 total.

FARM AND PURE STOCK AUCTIONEERS

The Team That Will Get You More Money

From Your Sale

As a graduate of the International Auction School, I have been fortunate in making arrangements with Col. Long, its principal and founder, to assist me in a number of sales this fall and coming spring. Hence, if you intend selling out, you will certainly get the best results from this arrangement. Col. Long is recognized as "one of the World's Best Auctioneers," and is an expert judge of stock and values. It will pay you to book with me.

WARREN JACKSON — R.R. 3, PORT DOVER

The Old Cabinet Maker

Says :

That they keep right on improving these Kitchen Cabinets until he doesn't see how they can put any more conveniences in them. Why they are arranged now so that a woman can prepare a whole meal and hardly step away from the front of one. Not alone their convenience and their handsome appearance, but the steps they save should force one of them into your home. Ours are well made of white hardwood but still reasonable in price.
