HALDIMAND W.A. MEET SUCCESS

Missionary Tells of Work Being Done for Indian Children at The Pas

The Haldimand W.A. annual Deanery meeting was held at St. Paul's church on Thursday, October 4th.

The clergy of the Deanery, including Archdeacon Mackintosh, of Dundas, and Rural Dean Ross, of Cayuga, also met.

Holy Communion was celebrated at 11:00 a.m., the Rector officiating, assisted by Rev. H. W. Brand.

The various branches of the Deanery W. A. were well represented, there being 106 communicants, while 130 persons were served at the luncheon provided later by the local W. A. assisted by members of the Broadway branch.

Reports were read by the secretary of each branch, explaining in detail their year's work. They were much enjoyed and many useful ideas exchanged. Mrs. Leather remarked that she thought the women were doing part of the men's work as well as their own.

The afternoon session was an interesting one, presided over by Mrs. Leather, of Hamilton. The meeting was addressed by Miss Kels, a missionary from the Indian Boarding School at The Pas, Manitoba.

Miss Kels gave an informal talk, telling of the children in her school. The children range from five to 10 years. First the children are taught Christianity, but they are also taught good habits of living. Particular attention is paid to their food and the laws of health, because the modern Indian is not as strong as before the white man came. The children return to their homes and pass on the information they get in the school to their parents and other members of the family.

Miss Kels believes the Indian child is just as intelligent as the white child.

She said they must have Christian teachers in the schools, because the boys and girls must become Christians if the training they get is to benefit them in their future life. Mrs. Gwyn and Mrs. Tigert, Hamilton, represented the Literature Committee. They suggested that each branch should have a Literature secretary to look after the mission study and give such useful information on the study for the year "Japan." Mrs. Francis, of Dunnville, was appointed secretary in place of Mrs. Brand, who has left this county. Mrs. H. Scholfield extended an invitation for the meeting to be held in Dunnville next year.

Many donations of canned fruit and jam were brought for the sale to be sent to a small mission in Manitoba. Tea was served to the delegates at the close of the meeting.

CLASS OF THIRTEEN IS CONFIRMED HERE

A class of 13 was confirmed by Bishop W. R. Clark, of the diocese of Niagara, at St. Paul's church Sunday evening.

It was planned to hold the confirmation Monday evening, but the time was changed at the last minute because of other appointments the bishop had to attend.

Bishop Clark was assisted by the rector of St. Paul's, Ven. Archdeacon Irving, and Rev. Mr. Maunsell, rector of Christ church, Nanticoke.

In speaking to the candidates after the confirmation service, Bishop Clark said there were four or five rules he desired them to observe. The first was to never neglect prayer morning and evening, the second never to neglect reading a passage of scripture morning and evening. The third was to never neglect the worship of God

and to attend church at least once each Sunday and twice if possible. Another was to prepare themselves for the service of God at God's altar. He advised them to retire earlier than usual the evening before communion for prayer.

"Tell God everything," he said, "the kind of life you have been leading, the language you have been using and the company you have been keeping."

Another rule was to be of service to the church.

"There is much to do these days in every home, in every parish and in the whole country," he said. "There are so many people who use bad language, read bad books and are an injury to the community. You can help by your own life and in the work of the church and in taking part in the service of the church."

HYDRO COMING DECEMBER 15

Fifty Applications Are Signed in Half Day—Material Coming

Hydro will be turned on in Jarvis about the middle of December.

That is the promise of R. T. Rothwell, engineer of the Hydro Electric Commission of Ontario, who was here Tuesday afternoon. While he was here 50 contracts were signed by prospective consumers and it is expected the other 25 application necessary will be signed up within the next few days.

Mr. Rothwell explained material for the line and for the local plant will be shipped in a week and, as soon as it is on the ground, work on the plant and line will be started. In the meantime the surveying and other such preliminary work will be done.

No trouble was experienced in getting the applications signed. Practically every person approached was anxious to sign a contract so that the plant can be installed as soon as is possible. Mr. Rothwell was assisted in obtaining the contracts by Reeve Miller and Councillor Holmes.

CAR GOES OVER BANK AT LAKE

Driver Has Narrow Escape on Road Near Nanticoke — Is Not Injured

What might have been a serious smash-up occurred on Saturday evening, October 6, about 9:30 o'clock.

Ned Edmonson, of Port Dover, was on his way to Selkirk upon noticing a detour sign at Lamb's Corners, he turned south to the Lake Shore road and mistaking the lane to W. L. Secord's property for a sideroad, stopped and was backing out again, when, owing to the darkness and not knowing the road, backed too far and went over the steep bank into the lake, a drop of about twenty-five feet.

Mr. Edmonson escaped serious injury or perhaps death beyond a bad shaking up, owing to the car remaining upright and striking the deep sand on the beach. The car which was not damaged except a bent steering rod, was hauled back onto the road by a team.

Mr. Edmonson was able to proceed on his way the next morning.

Prize Winner

William Joseph Kelly, son of Mr. and Mrs. Lawrence Kelly, who reside near Simcoe, was awarded second place at the baby show held in connection with the Jarvis Fair. He was just one point behind Margaret Adeline Doughty, the champion baby of the show. Dr. I. J. Leatherdale was responsible for the show. He gave two special prizes for the best babies in Norfolk and Haldimand counties.

CHEAPSIDE HAS S.S. CONVENTION

The Haldimand County Sunday School Association held its annual convention in Cheapside Methodist church on Friday, October 5.

Two sessions were held. The first session opened at 2:15 o'clock, with the pastor of the church taking the devotional exercises.

The Secretary-Treasurer's report was read, after which a nominating committee was appointed.

Mrs. R. D. Winger gave a report on the Children's Division, which consisted of those from the Cradle Roll to the Juniors, 12 years old. Her report showed 29 Cradle Rolls with 484 members.

J. C. Hare reported on the Home Department. Twenty-three schools reported 388 members.

Mrs. G. R. Pond gave the Missionary report, which was encouraging. The amount given by the Sunday Schools to missions was more than \$1,000.

Rev. W. P. Fletcher lead a conference opening with this remark: "There is no other country in the world making such progress as Ontario in the Sunday School work. The church will never succeed till it challenges the young people for service — and then trains them. For never was the call for leadership louder than at the present."

A question was asked: "Would you grade absolutely according to age?" The answer was: "There has been no discovery than can give age as the absolute standard of grading, there has to be a little give and take."

In referring to the program of training for boys and girls he said: "No country has a program equal to the Canadian Standard of efficiency test for boys and the Canadian Girls in Training for girls."

The evening session opened with a song service led by J. C. Hare, after which Rev. Mr. Stoltz lead the devotional service.

The following officers were elected: President, W. D. ... vice president, R. D. Winger; secretary-treasurer, William Machell; children's division, Mrs. R. D. Winger; boys, Rev. L. H. Larabee; girls, Miss Laura Christie; adult department, G. R. McColl; home department, J. C. Hare; teacher training, Rev. J. C. McClelland; missions, Mrs. J. R. Pond; temperance, O. T. Scott.

Rev. Mr. Dick gave an address based on the words: "Open the young man's eyes," 2 Kings 6-17.

"Physical blindness was nothing to be compared with spiritual blindness," he said. "The physical blindness brought us the raised letters which has enabled thousands to read the scriptures and has been the means of leading many to Christ."

Rev. W. P. Fletcher gave the closing address. It was under three headings: "The soil is ready; select seed; and assurance of harvest." He showed that the boy or girl in the early ten age is ready to receive instruction and the lessons should be graded to suit each individual and the harvest will surely come.

FIRE DESTROYS BARN IN NORFOLK

The barn of L. D. Kelly, son-in-law of Joseph Owen, was destroyed by fire Monday night.

The cause is unknown. Mr. Kelly was away from home at the time and Mrs. Kelly discovered the blaze when she happened to glance out of the window towards the barn. No person was in the barn after Mr. Kelly left home, several hours before it was found to be in flames.

The loss includes all the season's crops including a large quantity of wheat, as well as farm implements, a binder, spraying outfit, cutter and manure spreader.

Mr. Kelly lives between Port Dover and Simcoe.

WOOD-HIND

A quiet wedding took place in the First Baptist church, Guelph, on Wednesday, October 3, when Minnie Mae, youngest daughter of the late Mr. Ham Hind, and of Mrs. Hind, of Hagersville, became the bride of Mr. Milo A. Wood, only son of the late Mr. David Wood, and Mrs. Wood, of Jarvis. The ceremony was conducted by Rev. T. J. Hind, a cousin of the bride.

The bride looked lovely in her traveling suit of navy tinctone embroidered in grey, with dove grey feather hat, and mink furs. After the ceremony the couple left for a trip to Toronto, Ottawa and other eastern localities.

HALDIMAND TEACHERS IN CONVENTION HERE

The Haldimand County Teachers' Institute which met in Jarvis October 4 and 5, was an unqualified success.

During the Thursday morning session the Convention Sections met in separate rooms and discussed matters pertaining to the different classes. President Walker opened the afternoon session with a very thoughtful, helpful address. Inspector F. Cook, of Norfolk County, very ably demonstrated the teaching of a difficult lesson to a III Book Class. Dr. W. Jaques, of Jarvis, with a class of boys explained very clearly some first aid work in resuscitating a person of suspended animation and how to check hemorrhage.

Two other speakers, who appeared both days, were Dr. J. H. Davidson, of Hamilton Normal, who gave two illuminating addresses on "Teaching and Life" and "Teacherages." He pointed out very satisfactorily the wonderful advantage of having a home for the teacher in connection with the school. Mr. R. Walks, of Toronto, delighted his hearers with refreshing talks on "The Teaching of History," and "The Teaching of Spelling."

Dr. Dandeno, the Inspector of Ag-

riculture for the province, on Friday gave inspiring addresses on "Agricultural Education," and dealt with the advantages of having agriculture taught in our high schools.

Mrs. Peart, of Cayuga, County President of Women's Institutes, gave a very bright, interesting address on "The Relation of Women's Institutes to Schools." After Thursday's afternoon session was completed, that relation was very pleasingly demonstrated when the Jarvis Women's Institute very kindly served tea to the teachers.

Observations of High School Entrance were made by members of the Entrance Boards. Observations during visits by Inspector J. L. Mitchener. The claims of Household Science and Summer Session Work were enthusiastically presented by Mrs. L. Greene and Miss H. Sabine and Mrs. Lynnburser.

Thursday evening Miss Pearl Newton, elocutionist of Toronto, delighted the teachers with a very high class entertainment. Miss Mary Gait and Mr. T. E. Cline very pleasingly contributed to the program with vocal solos.

Mr. Henry, of Selkirk, was elected president for next year's Institute, which meets in Cayuga.

For U.S. President?

When Henry Ford was asked by Montreal reporters if he would run for President of the United States, he said, "I am not running for or against anything," but when asked if he would accept nomination if proffered, the motor car king replied: "I do not know what they will do from one day to another."

Mr. Ford is here on his way to a convention with Mr. Grant Hall, vice-president of the Canadian Pacific Railway, at Windsor Station, Montreal.
