

In this little town of Jarvis,  
We would rhyme it if we could,  
For we stock Nu-Way Suspenders,  
As they are always good.  
Phosphor Bronze Springs to stretch them,  
No rubber to wear or rot,  
They're just the thing for comfort  
When it's cold or when it's hot.  
So ask Miller Bros. about them,  
And they'll relieve your doubt—  
You'll say they're the best Suspenders  
That ever came about.

These are shown in three different lines—the In-  
visible Work or Dress Suspender; and a guarantee  
for one year's service with each suspender. You  
may not need any, but we'll be pleased to have you  
call and see them.

**The Old Cabinet Maker**  
Says :

That they keep right on improving these Kitchen Cabinets until he doesn't see how they can put any more conveniences in them. Why they are arranged now so that a woman can prepare a whole meal and hardly step away from the front of one. Not alone their convenience and their handsome appearance, but the steps they save should force one of them into your home. Ours are well made of white hardwood but still reasonable in price.
