The chicken supper given by the Ladies' Aid of the Methodist church on Friday evening was a real success.

Although the weather was threatening and showery during the day, it turned out fine for the evening and a large crowd did ample justice to the well filled tables.

After supper all went for a short stroll in the fresh air over to the hall where they were entertained by the "Lindsay Orchestra" until the chairman, Rev. Mr. McLellan, opened the program by singing "All Hail the Power of Jesus."

The program was highly appreciated and much praise given the local talent. Many thanks were tendered to Mrs. Woodger and the Jarvis Male Quartette who so ably assisted on this occasion.

JARVIS, - ONTARIO

Millinery!

I have just received a large assortment of Hats suitable for the coming season, consisting of all the latest novelties and styles for ladies' and children's wear. My rooms are now ready for your inspection.

Thanking you for your past patronage and hoping to share in a continuance of the same.

MISS LATIMER, JARVIS

The Old Cabinet Maker

Says:

That they keep right on improving these Kitchen Cabinets until he doesn't see how they can put any more conveniences in them. Why they are arranged now so that a woman can prepare a whole meal and hardly step away from the front of one. Not alone their convenience and their handsome appearance, but the steps they save should force one of them into your home. Ours are well made of white hardwood but still reasonable in price.
