

CHANGES MADE IN TIME TABLE

Evening Train From Hamilton Will Arrive Here Earlier After Sunday

Several changes which affect Jarvis have been made in the Canadian National Railways' timetable, and will be effective Monday.

The evening train which formerly left Hamilton at 7.20 o'clock will leave at 6.45 and will arrive here at 8.15 instead of 8.48. It will leave for St. Thomas at 8.23 instead of 8.53.

The morning train from Port Dover will leave here at 7.15 instead of 7.20 and will arrive here at 7.35 instead of 7.40. The morning train from St. Thomas will arrive at 7.50 instead of 7.55.

The evening train from Canfield will arrive at 8.10 o'clock as usual but will leave for Port Dover at 8.20 instead of 8.53.

DENIES BENEFIT

HON. T. W. MCGARRY, former Treasurer of Ontario in the Hearst Government, who testified before the Ontario Public Accounts' Committee investigating alleged commissions paid by the Home Bank to government officials for provincial deposits. He strenuously denies ever having benefited by one cent in transactions with the bank.

POSTAL COOPERATION

The United States authorities require that on and after the 1st April, Customs Declarations—Form 91-B, be attached to all parcels of general merchandise (parcel post) prepaid at parcel post rates, posted in Canada, addressed for delivery in the United States. Parcels weighing four ounces or less paid at the rate of 1 cent for each ounce or fraction thereof need not have customs declarations attached.

They further require commercial invoices or statements of value be enclosed with books prepaid at printed matter rate, also in sealed parcels of general merchandise prepaid at letter rate, posted in Canada addressed for delivery in the United States.

HARNESS SUN'S HEAT

San Francisco, April 23.—Barcel Moreau, of San Francisco, today announced he had found a way of harnessing the sun's heat. He declared that he had succeeded in devising a combination of little mirrors set in a bowl about four feet in diameter, which, when focused through a number of small lenses, would produce tremendous heat from the sun's light. He said he could regulate the heat produced to the exact degree desired.

Moreau claims to have produced with his machine heat sufficient to melt a diamond and cause it to disappear as gas.

CARTER ANNOYED

London, April 23.—Further litigation has been started in connection with the discovery of Tutankhamen's tomb, according to the Daily Express, which says a writ was served yesterday at Howard Carter's instance upon the directors of the British Empire exhibition at Wembley for alleged violation of his copyrights through the erection of a model of the tomb as a side-show on the exhibition grounds.

The model was constructed by the sculptor William Auerbach and the Egyptologist Arthur Weigall, who deny that their reproductions of the tomb and its contents in wood and plaster were based on Carter's photographs. The case is to be heard after Whitsun-tide; meanwhile the model will be opened to the public, as advertised.

CHEAPER COAL

Montreal, April 23.—The price of American anthracite was today reduced here from \$17 a ton to \$15.25. A fight for the Montreal market has begun between merchants handling Welsh and Scottish coal and those selling the United States product. It is understood the British interests will this year lay down 300,000 tons of coal, which is half of the city's supply. Due to competition from Nova Scotia coke, this commodity has dropped from \$14 to \$12.50.

20 BOATS LEAVE WITH WHEAT

Port William, April 23.—Twenty boats cleared today, all with wheat, nine for Montreal and five for Buffalo, and the others for bay ports. They carried in all 3,396,000 bushels of wheat, the C. O. Jenkins taking the largest cargo, 325,000 bushels.

NOTICE

We are requesting all accounts due us to be settled by April 15, as we must balance our books. Kindly give us your assistance. Thanking you in advance. Allen & Leatherdale 3-2c

FORMER RENTON RESIDENT DEAD

Son-in-law of Darius Winger, of Jarvis, Was Victim of Cancer

Oscar Johnson, son-in-law of Darius Winger, died Sunday at his home, about five miles northeast of Hagersville.

Mr. Johnson was in his 67th year. Death was caused by cancer. He was born in Twmsend township, near Boston and lived there until about 35 years ago when he moved to Renton. From there he went to his present home about 14 years ago.

Mr. Johnson leaves eight children, one of them, Mrs. Steinhoff lives in Simcoe and the others are at home. He also leaves one brother, Jacob, who lived with him.

The funeral was held Tuesday. Burial was in Hagersville.

CHURCH UNION IS TO BE ON AGENDA AGAIN

Ottawa, April 23.—The private bills committee of the commons will meet next Friday to fix a date, when the church union bill will come up on its merits. The date now in view is the 30th, but the parties will be considered about it. Meanwhile, petitions are wading in. All those which came first were against the bill, but latterly there are many in support of it and an intimation that more are to come.

In official circles the amendment adopted by the Ontario legislature, which resulted in the bill being withdrawn, vitally changed its whole aspect and purposes. The fairer course to all concerned, as some argue, would be either to pass the bill slightly amended or kill it rather than changing the whole underlying principle.

The real fight will be on the preamble. It declares that the Presbyterian church has "petitioned" for the bill. Opponents of union declare the church has not petitioned for it. If the latter is established to the committee's satisfaction, then the preamble will not be proven and the bill will fail. If the preamble, or principle is adopted, the form of amendment to protect the minority will be considered.

There will be two suggestions—one to adopt an amendment similar to that passed by the committee at Toronto, and the other to approve the union on the broad lines, but to give the commission a wider authority in respect to the rights of dissenting congregations.

BOY KILLED BY TRUCK

Toronto, April 23.—Willie Lethro, a six-year-old boy, had his life crushed out beneath the wheels of a motor truck this afternoon. The lad was running across the street when he was struck. He died in a few minutes.

TELLS GERMAN NEED

In the report of the committee of experts, just made public, arranged for the terms whereby Germany will pay war reparations to the allied nations, one of the conditions is that Germany has six months to return and help to rehabilitate it. Reginald McKenna, famous British financier, headed a committee of experts to provide a means by which that capital should be made to return. He reports that Germany has six months to return and help to rehabilitate it. Reginald McKenna, famous British financier, headed a committee of experts to provide a means by which that capital should be made to return. He reports that Germany has six months to return and help to rehabilitate it.

PLANS TO RETIRE

MRS. HILTON PHILLIPSON, one of the eight women holding seats in the British House of Commons is to retire from public life shortly, according to her husband, Capt. Hilton Phillipson. They have three young children and because of the hard work involved in caring for them and attending to her duties in the House of Commons, Mrs. Phillipson will put the call of the nursery first. She will be the first woman to retire from the House.

STORE PROPERTY AND HOME ARE DESTROYED BY FLAMES; CAUSE IS NOT DETERMINED

Personal Notes

Frank Saunders Suffers Loss of About \$15,000 in Early Morning Blaze

The store owned and occupied by Frank Saunders, the house connected with it and the building formerly used as a butcher shop and owned by P. E. Armstrong, were completely destroyed by fire early Wednesday morning.

The cause of the blaze is undetermined. There was no fire in the store after 6 o'clock Tuesday night. It started in the rear of the grocery department and worked rapidly westward until the whole building was a heap of smoldering ruins.

The blaze was discovered about 2 o'clock Wednesday morning by Robert Laidlaw, of Hagersville. Three or four men were on the scene before it gained much headway. They were able to check it with water carried in pails for a time but the water could not be carried fast enough to get it under control.

Within a short time after it was first seen the whole building was doomed. An ice house to the east was also destroyed.

Mr. Saunders and his family were asleep when the fire started and by the time they had been awakened and dressed the blaze had gained considerable headway. While the two sides of the store were burning most of the furniture was moved out of the house, although the contents of two bedrooms were destroyed as well as a large quantity of fruit and household utensils.

The home of Mrs. Edward Hyde was threatened for a time, but the roof was kept wet with a stream of water from the fire hose while several men threw water on the side of that building with pails.

The blaze was so hot that the windows in the shop of R. A. McCarter, across the street, were cracked, but boards were put up as a protection and prevented serious damage.

Mr. Saunders' loss is estimated at about \$15,000, partially covered by insurance. Mr. Armstrong estimated his loss at \$1,000, with insurance amounting to \$400.

Mr. Saunders had rented half of his store to Friedinger & Son, who intended to open a new dry goods store the first of the month. Mr. Armstrong had rented his shop to Harold Edwards to be used as a barber shop. It was to be occupied the first of the month.

Mr. Saunders has not decided whether or not he will rebuild.

UNITED COLORED RACES WILL FACE THE WORLD

Tokio, April 23.—The Hochi shunichi declares that the action of the United States congress in excluding Japanese from immigration inevitably fosters a union of the colored races. This union, it says, may take some time to develop, but it is absolutely necessary. It declares that for the consequences of this union, the United States senate must take the responsibility.

PETER SMITH REMANDED

Toronto, April 23.—Peter Smith, provincial treasurer of Ontario during the years 1919 to 1923 was again remanded for a week when he appeared before Magistrate Edmund Jones in police court this morning charged with conspiracy to defraud the province out of certain moneys. The charge arose out of the investigation conducted by the public accounts committee of the legislature into the financial administration of the province during the regime of the government led by E. C. Drury. Bail remains at \$102,000.

The Bogo Boys Orchestra played a dance in Selkirk Wednesday night.

The Easter dance which was to have been held in the Jarvis Music hall Monday night was cancelled because of the weather.

A radio concert and survey will be given by the Women's Institute of Nanticoke Friday evening. The proceeds are for the Nanticoke Baseball club.
