# E. T. CARTER

JARVIS      Phone 19      ONT.

The instrument with a steel pen, when I describe the typewriter is too precise an instrument for me. My instrument must be attuned to my mood. When I feel fierce and aggressive I write with a steel pen; when I describe beauty, riches and power I write with a gold one. I suppose, then, ordinarily, I use the quill of a goose."

# WALL-PAPER

We recommend the use of quality Wall-Paper because experience has taught us that it is the most economical in the end. It costs no more to have it hung and the room, when finished, has the character that none but quality material can produce.

Our stock of hangings for the 1924 Season combines the sort of Wall-Papers we know will make charming rooms. That is why we will be glad to have you call and look them over.
