"CINDERELLA" THE BIG MUSICAL EXTRAVAGANZA

100 Local People to Take Part in the Big Pageant on Friday, Aug. 15

BIG OUTDOOR EVENT

Under Auspices of the W. I. and Personal Direction of R. B. Hawthorne

Rehearsals have started for the biggest theatrical event we have ever held in our town. Over 100 local people will take part in this monstrous pageant that is to be presented in the Arena Grounds on the evening of Friday, August 15th.

Mr. Russell B. Hawthorne, the author and producer, is here in town conducting the rehearsals morning, afternoon and evening and is very pleased with the talent supplied him. "Cinderella" is an old, old story, but it is refreshingly told in this new version. There will be many beautiful young ladies in old fashioned costumes; you will see the young men of our town gorgeously gowned in the court costumes of years ago; and many kiddies will also be seen in the big spectacle. There is lots of catchy music, heaps of dainty dancing, loads of colored costumes, plenty of laughter and just enough of the serious to make it a night of real enjoyment.

The play will start on time. There will be room for autos and plenty of good seating accommodation. Do not forget the night of August 15th, at 8:30 sharp. The play is under the auspices of the Women's Institute. Look for the big posters for further particulars.

SANDUSK

Mr. and Mrs. Oswald Schoemaker, of Buffalo, spent a few days this week with the former's parents, Mr. and Mrs. Clifton Brown.

Mr. and Mrs. Wm. Bush, of Brantford, and Mrs. Alfred Wintermute and little son, of Lynville, spent Sunday at the home of J. W. Bush's.

Mrs. J. R. Pond accompanied by her brother, Mr. Arthur Walker and two daughters, of Edmonton, Alta., spent a couple of days this week at Rainham.

Mrs. E. Lindsay, of Hamilton, and Mrs. W. Smith and family, of Hagersville, spent Sunday with their sister here, Mrs. Wm. Mattice.

Mr. Wm. Pullen and daughter Leta and son Clayton, of Simcoe, and Mr. and Mrs. Truckell, of Selkirk, and Miss Nie, of Dunnville, spent Sunday at the home of Chris Johnson's.

Mrs. H. Deal and grandson spent Sunday with her daughter, also motoring to Simcoe and calling on friends in that place.

SCHOOL GARDENS

In the school garden competition there is a big entry list. Mrs. Jos. Peart and Mrs. R. E. King have judged 21 plots in North Cayuga and Rainham; Mr. Main has judged 17 in Jarvis district and 11 around Dunnville. Two Caledonia ladies have judged 12 gardens in their neighborhood.

Regah Theatre

GLORIA SWANSON HAS STAR ROLE IN "ZAZA"

When "ZAZA" the great French play was produced in Paris some twenty-five years ago, and which was the starring vehicle for Madame Rejane, it was believed by many critics that it would be impossible for any American actress to portray that arduous role as artistically as the actress named, but these critics were in error as the evidence showed. The play was for many years a reigning success on the American stage with many notable actresses in the title role.

The picturization of this charming play by Paramount with beautiful Gloria Swanson in the title role is said by many to be a far more powerful characterization than has ever been seen on the American stage or screen. In this splendid picturization, which will be shown at the Regah Theatre next Tuesday and Wednesday, Miss Swanson relies entirely upon the power of pantomime art in which the French always have been adepts, but those who have seen the great screen artist in her wonderful emotional interpretations, in which she has appeared for several years, will be the first to declare that Miss Swanson is the only American screen star who vests the role of "Zaza" with a power never heretofore witnessed in silent drama productions.

The support provided for Miss Swanson in this play, headed by H. B. Warner, is exceptionally praiseworthy, each role being in the hands of an artist. The photoplay was splendidly produced by Allan Dwan and in point of direction and photography, as well as sterling portrayals, it ranks as a masterpiece of the screen.

"WOMAN-PROOF," T. MEIGHAN'S NEW FILM, HAS GOOD STORY

"Woman-Proof" Paramount's new star vehicle for Thomas Meighan, which comes to the Regah Theatre, Hagersville, next Friday and Saturday. Alfred E. Green directed the picture and the story was written by George Ade.

The picture tells of a will which stipulated that all the children of the deceased millionaire must marry and settle down before they can inherit the father's fortune. Thomas Meighan plays the role of the son who was considered by his brothers and sisters to be "woman-proof." Their efforts to induce him to select a mate form the basis of the humorous situations in the picture.

MRS. HAINER BURIED IN FAMILY PLOT

Mrs. Hainer, of Buffalo, who was visiting here, died at the home of her daughter, Mrs. A. Underhill, on Thursday morning, July 31. Deceased had reached the advanced age of 92 years.

The funeral, which was private, took place on Saturday afternoon at 2 o'clock. The service was conducted by Rev. H. Brand of the Methodist church, after which interment was made at Springvale cemetery in the family plot.

SPRINGVALE TALKS BACK

Hagersville, August 6, 1924. To the Editor:

In reply to the item published in the Jarvis Record, of last week. The Springvale Softball Team regret very much that there has been such ungenerous remarks charged against them and also feel sorry in having to reply as no real gentleman would tolerate such nonsense, but for the honor and pride of our boys we feel it our duty to defend all that is right and put under our feet all that is dishonest.

The item started out by saying "one of the cleanest and fastest games, etc." This does look clean from our side, but does the president of the League know that the Jarvis team played a man on second base whose name is not on the list, thus making the game illegal. "Does that look clean and honest?"

We understand that this matter was mentioned in the presence of the President and the management of the Jarvis team long before the game was played but no action was taken, and the game was labelled one of the cleanest games played between Jarvis and Varenay. True enough our boys showed signs of fireworks in the sky but it was not enough light, a dead wire at the terminal. What about a strong searchlight in place of the fireworks.

Now coming down to baseball facts. The Springvale team openly charge the Jarvis and U.F.O. teams as winning games with players whose names are not on the list. This is illegal.

Perhaps it would be wise to mention one of the league rules to the public. It is worded like this:—"All names must be in the hands of the secretary before the first game is played."

ONE INTERESTED.

POULTRY EXTENSION IN COUNTY

REPORT OF DEMONSTRATIONS BY C. C. MAIN, AGRICULTURAL REPRESENTATIVE

Demonstrations in culling, killing and plucking, as well as lectures on marketing, poultry diseases, buildings, feeds and feedings, etc., were held at Cayuga, Canboro, Fisherville, York and Jarvis, July 28th to 30th inclusive. The demonstrations were conducted by Mr. Alp of Guelph College and C. C. Main of Cayuga. The object of the work was to give detailed instruction to farmers for the purpose of enabling them to go home and cull their own flocks and also to kill and pluck birds whenever they wish to do so.

At each demonstration, careful records were kept showing the farmer's name and address, the breed and variety of poultry and the number of hens kept on the farm. A summary of the record shows that 85 farmers signed the forms and that the total number of birds on these 85 farms was 8,475; an average of about one hundred hens per farm. Wherever demonstration was held, we culled the farmer's flock and passed the birds around in order to give the people an opportunity of handling the birds and passing their own opinions on them. In this way, considerable practice was obtained by those in attendance. The number of birds actually culled was 500. If the farmers who attended the demonstrations would go home and cull their birds, it would mean that 8,475 hens would be culled. We found the percentage of culls to be about one in every three hens handled.

The total attendance at the five demonstrations was 185, or an average of 37. The breeds recorded were Barred Rocks, 39; White Leghorns, 11; Wyandottes, 10; Rhode Island Reds, 5; White Rocks, 1; Brown Leghorns, 1; Silver Laced Wyandottes, 1; Black Minorcas, 1; and Nondescrpts, 16. The Barred Rocks were by far the most popular breed. Next to the Rocks came the White Leghorns and then the Wyandottes. You will notice that quite a number of farmers are keeping nondescrpts on their farms, which shows that there is room for considerable improvement.

While the attendance at the demonstrations were not as large as expected, the interest shown by those present made the work worth while and we believe that a great deal of good was accomplished.

SHOW APPRECIATION BY COMMUNITY EFFORT

Hickory Beach Park, Nanticoke, is one of the favorite resorts of those who wish to enjoy the cool breezes of the lake and the excellent bathing. This splendid picnic ground has always been open without charge to everyone, though the owner has been at considerable expense to provide tables and to keep the grounds in good condition. To replace equipment provided at the owner's expense, and to improve the accommodations, a community garden party is to be held on Monday evening, Aug. 11th, by representatives of the various organizations that have enjoyed the privileges of the park.

We wish to commend this effort to our readers. Turn out on Monday evening and show your appreciation of the owner's generosity and public spirit.

ESSEX COUNTY AUTO EXCURSION

Those intending going on the excursion will assemble at Windsor Ferry Dock at 7:30 a.m., Monday, Aug. 18th. The excursion will be through the states of Illinois, Michigan and Indiana. Points will be visited devoted to grape, fruit and vegetable growing, dairying, corn and soy bean growing, and live stock. The excursion will also include a visit to the University of Michigan and University of Illinois for lectures and demonstrations. Every effort has been made to insure a program of instruction and entertainment.

A special invitation is extended to any farmer in Haldimand County, with their wives and families, to attend the excursion.

C. C. MAIN, Agricultural Representative.

WHY THE DEMAND FOR ROBINSON GRADUATES?

In addition to the usual calls for competent office help, Mr. O. U. Robinson, Chief Principal of the Robinson Business College, Waterford, has recently received four calls for business college graduates. Two of these came from Mr. P. J. Leitch, Managing Director of the well-known Shaw Schools of Toronto, with their eleven city branches. Mr. Charles L. Smith and Miss Vera W. Anderson (Matriculants who had taken both commercial and stenographic courses at the R. B. C.) were recommended for these positions, and were accepted, making seven Robinson graduates placed as teachers with these schools alone. So thoroughly have these young men and women been trained in their work that they are able to meet the demands of these up-to-date Toronto schools. The other two calls were from Calgary and Winnipeg, and we hope to fill them. Mr. Ralph Gould, a commercial graduate, was taken on the staff of the Molsons Bank of Simcoe, and another graduate has been recommended for an all-round office position. Before deciding upon the school you will attend, call upon Mr. Robinson, if at all possible. If not, write for a free copy of the News Journal. Telephone 98.

GIRLS' JUDGING COMPETITION

HIGHEST SCORE IN COUNTY WAS AWARDED TO GRACE BRAND OF JARVIS

The attendance at the course of instructions was 125 girls and 94 women, while at the County Contest, which was held at the town hall, Cayuga, on August 1st, 61 contestants took part, representing six different townships.
