100 Local People to Take Part in the Big Pageant on Friday, Aug. 15

BIG OUTDOOR EVENT

Under Auspices of the W. I. and Personal Direction of R. B. Hawthorne

At last, everything is ready for the big pageant at the Arena grounds Friday night, August 15th. The large cast of local people, numbering over one hundred, have all been trained to perfection. The play is to be held in the open air and a huge crowd is already assured by the tremendous advance sale of tickets.

It is the old tale of Cinderella retold in a most entertaining manner. There is old fashioned dancing that is sure to please young and old alike; there is lots of catchy music; there are some wonderful lighting effects and dainty settings. Plenty of laughter and just enough seriousness to make it a real entertainment.

Don't miss this big treat, but come prepared to enjoy yourself. The play will start sharp at 8:30.

driver, however, must have his license certificate. And each person should have his money changed into American funds, as the rate of exchange is very high away from the border.

Everyone wishing to take the trip, whether he wants to drive his car or get a place in some other car, is requested to get in touch with Justus Miller, Essex, or with a director of the Essex County Development Association as quickly as possible.

Special arrangements are being made to provide special entertainment and accommodation for the ladies, as it is now apparent an unusually large number will be present on the trip.

The excursion will leave Windsor ferry dock promptly at 7:30 a.m., on Monday, August 18, returning to Windsor on Saturday evening, August 23. A specially attractive route has been decided upon through Michigan and Indiana on the way to, and the return from, Illinois.

A POD OF PEAS

At the Wesley Methodist Church on Sunday morning the pastor, Rev. H. Brand, took the above heading as his subject for a talk to the scholars.

In opening, he said, that Christ, when speaking to his disciples and followers, used objects appropriate to the surroundings, such as the wheat and tares, mustard seed and others. He showed a picture of a fine pod of peas. There were six peas and he gave each a name. The first he named Punctuality, which in short meant, to be on time. Many are late, which is a habit which once formed is hard to break. Second, Patience, or self control. He gave Job as one illustration; another one of a man and the way he treated his neighbor.

Third, Patriotism, he said, was love of country. He told of seeing 50 Armenian boys saluting the Canadian flag, most of them having seen their parents murdered by the Turks. They say they love this country. He made mention of the 60,000 who gave their lives for their country and the freedom we possess. Fourth, Prayer, the stronghold of the Christian's faith.

When Queen Victoria was celebrating her diamond jubilee, she asked that she be allowed to kneel outside Westminster Abbey, and in prayer acknowledged God's goodness to her for 60 years. Fifth, Perseverance, to keep on. Some have a good start, but fail in the end. He mentioned Saul and Solomon, how their prospect was good in the start, but they failed, while later on Paul, amid opposition and persecution, pressed on to victory. Sixth, Prosperity. He mentioned as an illustration Joseph, who having risen to the second place in the richest land in the known world, did not forget his father, but received him and presented him to Pharaoh. To many in their prosperity forget God, their father. In conclusion, he asked his hearers to remember the names of the peas and try and profit by the lessons they teach.

EVANS-JACKSON ANNUAL PICNIC

OVER TWO HUNDRED GATHER FOR REUNION AT HICKORY BEACH PARK

The Evans and Jackson families were in possession of Hickory Beach Park, Nanticoke, on Wednesday, Aug. 6th.

Seven years ago a picnic was held in this park by members of these families living in the immediate district, but each year they have come from a greater distance, more planning their holidays to include the first Wednesday in August, the date on which this re-union is held annually.

There were representatives this year from New York City, Buffalo, Tonawanda, Wilson, N.Y., Chicago, Simpson, Sask., Toronto, Hamilton and Grimsby; while Haldimand and Norfolk counties were well represented.

Letters read, carrying messages of greetings and best wishes for a successful reunion, brought in close touch the following who were unable to be present: Mr. and Mrs. Thos. Jackson, Scarborough, Ont.; R. J. Jackson and family, Regina, Sask.; Mr. and Mrs. Rudledge, Regina, Sask.; Mr. and Mrs. Clarence Evans, New York, N.Y.; Mr. and Mrs. Ed. Young, Portland, Ore.; Mr. and Mrs. J. Pettit, Weyburn, Sask.; Mr. and Mrs. Ira Walt and family, McTaggart, Sask.; Mr. Wils Jackson and family, McTaggart, Sask.; Mr. and Mrs. T. R. Jackson, Ft. Qu'Appelle, Sask.; Mrs. Davey, Rainy River, Ont.; Mr. and Mrs. W. T. Jackson, Outlook, Sask.; George Jackson, Port Perry, Ont.; D. M. Jackson and family, Port Perry, Ont.

Upward to 200 enjoyed the excellent dinner and supper provided by the ladies, the chicken dinner, especially, and it was unanimously decided to hold another next year.

Races and other athletic events, including a baseball game, at which were used two baseballs donated by Clarence Evans of New York, the balls arriving by post that afternoon, were entered into enthusiastically by all.

During the supper hour, Miss Lindsay, of Buffalo, gave two selections in an Italian dialect, which were enjoyed by all.

After all joining in singing "Auld Lang Syne" and "God Be With You Till We Meet Again," all left for their homes, tired but happy and looking forward to a larger and better reunion next year.

HON. J. H. MARTIN HOME FROM ABROAD

Hon. John S. Martin, Minister of Agriculture for Ontario, has returned to his home after a six weeks' trip to Great Britain and Denmark.

Conditions in the Old Land, he stated, were not so good as in Ontario. In Denmark the co-operative marketing had been worked out to nicety, with the result that the Danish farmers received about 75 per cent. of the total amount paid by the ultimate consumer. This was a contrast with 50 per cent., which was the average amount of prices paid by the United States consumer which the United States farmer received.

Mr. Martin was very favorably impressed with the showing made by the Dominion in the pavilion and exhibits of Canada at the British Empire Exhibition at Wembley, London. "It is worthy of the Dominion," he commented, adding that the general impression among visitors to the Exhibition was that the Canadian Pavilion was the best there.

On Saturday, Aug. 16, Mr. Martin, who is best known to North American poultrymen as "the Wyandotte King," will be the host to the American Poultry Association, which convenes in Toronto that week, and which will pay a visit in strong force to the place where "Regal" and "Dorcas" Hyandottes were established and are still produced.
