Appointed Director Canadian Pacific

The recent election of Mr. Ross Huntington McMaster to be a director of the Canadian Pacific, filling the vacancy created on the board by the death of the late Lord Shaughnessy, is a recognition on the Company's part of his long-proved ability. Mr. McMaster is already vice-president and director of the Steel Company of Canada and director of the Northern Electric Company, as well as the Canadian Explosives Company. Born in Montreal in 1880, he has lived practically all his life in that city. He was educated at the Montreal High School and Collegiate Institute. His business career began with the Sherwin Williams Co., of which he became assistant to the vice-president and general manager in 1897, a post he held until 1903. In the latter year he was made assistant to the vice-president and general manager of the Montreal Rolling Mills Company. On the formation of the Steel Company of Canada he was appointed manager at Montreal.
