BLACK AND SILVER FOR PRETTY FROCK

Very chic in effect is this soft black charmeuse, which introduces smart fulness at the front and tasteful touches of silver embroidery for variety.
The silver embroidery is applied in light touches so as to make bands of trimming on the frack, and is striking against the black background.
The front fulness is supplied by a panel that is let into the front of the frack and widens as it nears the hemline.

Is Full of "Go"
And Merchandise is being whirled away to all parts of Norfolk, Haldimand and Brant Counties

It is well worth bearing a hand in a Sale which is always making new friends without losing old ones. There are people, and many of them, who take almost as much interest in this Sale as we do ourselves, they were here yesterday—they were here a year ago and they were here five years ago, and they were glad that this is a Sale, the expectations of which, was not better than the realization, for there is no mistake about it, the merchandise is here—plenty beyond comparison—good beyond suspicion—reliably reduced in price—fully guaranteed. An hour spent among the various February displays on the four floors of the building will bring delight to visitors even though they have no thought of buying.
