Odd

It's exceedingly odd,
 But it can't be denied—
 To have money ahead
 You must put it aside.

THE GREAT EXPECTATIONS OF THE PEOPLE

FALLS' DEPARTMENT STORE, SIMCOE

An Opportunity For You and For Us

We have twelve Winter Overcoats left in stock and they must be moved. We have selected this week to move them because, if we wait longer, we will have to keep them until next winter. It is a business proposition with us. We must sell them to get the money to put into goods that will turn over several times before next winter. We cannot make profits on goods lying on our shelves or on the money tied up in such goods. That

is the reason this opportunity is knocking at your door. The price is down to the limit. We are figuring no profit on the coats that we will sell this week. If you wait until next year we will have to figure a profit to pay us interest on our investment.

These Coats are made to keep out the cold—silk and double lined. You will be proud to wear any one of them and they are built to keep you warm.

THE PRICES ARE From \$15 to \$23

OYSTER SHELL at \$1.50 per Cwt.

The regular price is \$2.00 per cwt., or three cents a pound in smaller quantities. We over-estimated the demand and bought more than we can move quickly at the regular price. That is the reason you can buy cheaper now. And it is just the time of year to benefit. Your chickens cannot get at the grit they need. You must provide it and you cannot do so any more economically than by

taking advantage of this offer on Oyster Shell.

Sugar, Redpath or St. Lawrence, at \$10.75 per bag.
 Potatoes, \$1.50 per bag.
