DIST. JARVIS AND SO. WALPOLE RELIGIOUS EDUCATION COUNCIL

34th Annual Convention Is Held at Nanticoke—Officers Elected

The thirty-fourth annual convention of the district of Jarvis and South Walpole Religious Education Council was held in the Methodist Church, Nanticoke, on Thursday, June 5.

There was a large attendance of delegates from the different Sunday Schools connected with the district. The convention opened its morning session at 10:30 a.m. with devotional exercises led by Rev. J. C. McClelland, pastor of the church, after which the secretary, Mrs. W. H. Evans, read the minutes of the last convention, which were confirmed and adopted. A nominating committee was then appointed to prepare names of officers for the coming year and to present them at the afternoon session.

The president, Mr. D. W. Hilborn, welcomed the delegates. The program for the session opened with an address by Rev. Oestricher, of Selkirk, on "The Call of the Sunday School to the Young People." The call, said the speaker, was a unique call, one different to any other. The transition from a follower to a leader comes from thirteen onward. Some young people never rise above being followers but others are natural born leaders. This is the time that the Sunday School loses many of its pupils. To appeal to the young people and to hold them the Sunday School should give them responsibility of some kind. Leaders of young people must be careful and tactful, one who will guide at the right time and in the right way. The Sunday School must go half way to meet the young people and give them a chance to be somebody. A very interesting discussion followed, after which the session adjourned for luncheon.

In the absence of the Rev. E. F. Mansuell, Rev. R. Dick, of Selkirk, conducted the devotional period at the afternoon session. The nominating committee brought in their report, which was adopted. Five minute reports were then given by Mrs. A. Lamb (Children's Department), Mrs. A. E. Doughty (Girls' Work), and Mr. J. C. Hare (Adults).

After music by the choir, Rev. W. T. Brown spoke on "The Call of the Sunday School to the Children." He urged that the call be an attractive call. The Sunday School should spare no effort to attract the boys and girls to it. He urged that Sunday Schools should make the surroundings as pleasant and bright and comfortable as possible. The teachers should spare no time and labor to make their lessons interesting. He also urged the formation of a small teachers' library in every Sunday School with helpful books for the use of teachers. What was needed most to attract the young were faithful teachers, who would always be at their posts. Many a promising Sunday School class was wrecked because the teacher was careless and indifferent. Faithful teachers should also be intelligent teachers, teachers who knew what they were talking about, and who had consecrated all their gifts to the work upon which they were engaged.

A round table conference was held, at which very many of the problems which affect the efficiency of Sunday School work were discussed. Rev. R. Dick and Rev. W. T. Brown led the discussion, and it is hoped much good may result from them.

The meeting then adjourned to meet at 7:30 p.m.

The evening session opened with a song service led by the choir. The devotional period was in charge of Rev. W. T. Brown. After music by the choir, Rev. J. C. McClelland gave a very forceful address on "The Call of the Sunday School to Parents."

"The parents and the Sunday School do not always work together," said the speaker. Parents should be deeply interested in Sunday School work, but often times they are content to leave the vital thing concerning the children in the hands of other people. One reason why parents should be interested in the Sunday School is because there the leaders of the young were being trained and becoming the Sunday School tries to incorporate the highest principles and teachings of Jesus. "It is cheaper and safer to form them to reform." The child must be taught the true, the true.

LEGAL TO CATCH BASS AFTER 16TH OF JUNE

PERIOD OF EIGHTY DAYS TO BE ALLOWED ANGLERS BY THE DEPARTMENT

Commencing on June 16, anglers will be allowed to catch bass for a period of 80 days, subject, however, to the law that the bass must be 10 inches or more in length.

Col. Emmerton, of the department of game and fisheries, announced recently that the department hoped to educate the public to the efforts being made to have a natural reproduction in the streams. "If this proves successful for a number of years the laws will be lessened somewhat and the fishermen will benefit," he said.

The season for speckled trout opens soon and the number of fish one is allowed to catch in a day is placed at 20, the total weight of all not to exceed 10 pounds.

Speckled trout must be seven inches in length before they may be taken from the streams.

HALDIMAND FARMERS' EXCURSION TO GUELPH

An interesting event not on the program recently published will be a golf ball game between Brant and Haldimand County farmers at 4 p.m., on June 12, when Haldimand farmers with their families will visit the experimental station.

The generous and to take a large view of life. Is the work of the Sunday School worth while? It is, for there is no work that pays larger dividends than it does when it develops men and women of Christian Canada. The call of the Sunday School to the parents then was a call for their interest, their sympathy, their respect, their hearty support, their presence in the school, and their entrance into the heritage that is theirs.

The closing address was by the Rev. R. Dick, whose theme was "The Call of the Sunday School to the Church Members." He pointed out that the last act of the Master before his ascension into heaven was to lay the mantle of His mission upon the members of the church. The church was the medium through which Jesus works. It was not the only medium, but He has chosen it and He called it into being so that His work might be carried on.

Jesus wants every church member to be a worker. The work of the church is not to pamper and pet people, but to seek them out. Our duty is to go out and compel men to come in. Sunday School work is personal work, it cannot be done by proxy. Our object should not only be to bring children into the Sunday School, but into the Kingdom of God, if we do not do that, our work is a failure.

The call of the Sunday School to the church members should be a call to a praying people, a sacrificing people, a working people. What God needs is men and women that he can work through, and when He sets them He can work wonders.

At the close of the evening session, a hearty vote of thanks was tendered to the ladies of Nanticoke for their splendid hospitality during the convention and to the choir for their excellent music.

Rev. W. T. Brown and Mr. J. C. Hare were appointed delegates to the Provincial convention to be held in Kitchener during October.

Jarvis was chosen to be the meeting place next year.

After all the business had been concluded, Rev. Mr. Brown dismissed the convention with the benediction.

SCORE HIT WITH JARVIS AUDIENCE

"The Mechanic's Reprieve" Plays to Large and Appreciative Audience

"The Mechanic's Reprieve" was the title of the interesting 3-act drama which was presented by the "True Canadian Club," of Nanticoke, under the auspices of the Methodist Ladies' Aid, at Peacock's Hall on Saturday evening last.

The cast was well chosen and the plot had that universal appeal which made the presentation exciting from first to last.

Between acts the audience, which was large and appreciative, was entertained by the Fisherville orchestra, whose numbers were lively and well chosen and called forth hearty applause.

The plot of the play has been given in a write-up of the play in a recent issue of The Record, and to comment on individual efforts of the actors is unnecessary, as each part was well taken. Special mention, however, is due Miss Jean Oakes, who as "Mary Harrington," showed professional ability in her acting. Harry Pratten, as "a student of nature," would be hard to beat; while Carroll Lindsay, who took the part of the ever despised villain, played that unappreciated part in a most effective manner. Taken all in all, the audience was well pleased with the performance and the Nanticoke players can take it that they made a decided "hit" with their performance in Jarvis.

GRADUATION SHOWER

Last Tuesday evening, the home of Miss Minnie Lindsay was the scene of a very happy event, when her girl friends held a graduation shower in her honor of her success at the College of Pharmacy.

The party met at the home of Mrs. John Butcher and from there proceeded in a body to the residence of Miss Lindsay.

After some time spent in games, mingled with much laughter and fun, the following address was read by Miss Edna Guiler:

Dear Miss Lindsay:—We, your girl friends of Jarvis, wish to show our appreciation of your success in your recent examination. We extend our heartiest congratulations upon your graduation. We have had many happy times together and, although you may leave your home town, we know that our loss is another's gain. We feel sure that in your new sphere you will prove as careful and industrious as hitherto and that your graduation will only be the beginning of a long list of achievements. We wish you to accept these gifts as slight tokens of our affection and may you remember your friends in Jarvis.

Signed in behalf of the girls,
M. E. Butcher, J. Cullins,

DEATH CALLS AND RODGERS

Pioneer and Village Clerk of Jarvis Passes Away Tuesday Evening

The village of Jarvis and the township of Walpole suffered a great loss on Tuesday, when Mr. Andrew Rodgers, clerk of the Council of Jarvis, passed to his eternal rest.

Taken ill with pneumonia ten days ago, hopes were held out for his recovery, but in spite of all that medical skill and loving attention could do, he gradually grew worse, and passed away at 9:20 p.m. on June 10th.

The late Mr. Rodgers, who was 78 years of age, was born in the township of York, and came to Jarvis in 1848 with his parents. He has resided in the village ever since.

His wife and five sons; Herbert J. of Wynyard, Sask., Harvey A. of Vancouver B.C., Robert F. E. of Quill Lake, Sask., Wesley F. of Toronto and Frank A. of Hamilton, survive him as do his sisters, Mrs. Mary J. Hind of Toronto, Mrs. Emily Marks of Toronto, Mrs. John Mulholland of Toledo, O., S. A.

Mr. Rodgers was a member and office bearer of the local Methodist Church. He was esteemed by all who knew him for his kindly disposition and Christian character. Faithful in his religious and social duties, he was of the old type citizens and the news of his passing will be received with the deepest regret by his many friends and the community at large.

The Record joins with the rest of the citizens of Jarvis in extending their deepest sympathy to the sorrowing family and relatives.

The funeral will take place at the Methodist Church on Friday next, June 13, at 2 p.m., with Rev. G. Smithe officiating.

EXAMINATIONS CONTINUE UNTIL FRIDAY, JUNE 27

Departmental examinations at the High School of this province begin this year on June 23, about ten days later than usual.

The examinations for Entrance to High School are set for July 2, 3 and 4.

Promotion examinations in the public school will be held on June 25, 26 and 27, and the schools will close at 4 p.m., June 27. The statutory date for closing is June 29, but as that date falls on Sunday, Friday has been set as the closing day.

With the permission of the Assembly, Dr. Scott requested leave to withdraw his name, which was granted. On a vote of the commissioners Dr. MacKinnon was elected by a large majority.

Dr. Daniel Christie, of Winnipeg, nominated Rev. Clarence MacKinnon for the Moderator's chair, and Dr. D. C. McGregor seconded.
